TO: San Mateo Countywide Oversight Board
FROM: Shirley Tourel, Assistant Controller
SUBJECT: Adoption of Conflict of Interest Code for the Countywide Oversight Board

Overview/Background:
The Political Reform Act (California Government Code 81000 et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission (“FPPC”) has adopted a regulation, Cal. Code of Regs, Title 2, Division 6, Section 18730, which contains the terms of a standard conflict of interest code. Each local governmental agency is allowed to incorporate those terms by reference, including future amendments made by the FPPC, into its own conflict of interest code.

California Health and Safety Code 34179(j) established countywide oversight boards throughout the state in each county in which former redevelopment agencies are still in the process of dissolution. The Countywide Oversight Board for San Mateo County (the “Oversight Board”) takes the place of the thirteen Successor Agency oversight boards that were in existence prior to July 1, 2018. Pursuant the dissolution statutes, the Oversight Board is deemed a local governmental agency for purposes of the Political Reform Act and the regulations promulgated thereunder by the FPPC.

At this time, staff is proposing a conflict of interest code that incorporates the standard terms adopted by the FPPC, which require that each agency, by appendix to its conflict of interest code designate: (a) the employment positions (including board member positions) whose duties require the employees serving in such positions to disclose certain economic interests; and (b) the categories of economic interests that the employees must disclose.

Recommendation:
Staff recommends that the Oversight Board adopt the proposed conflict of interest code attached hereto as Attachment A and authorize submission of the approved conflict of interest code to the Board of Supervisors as the code reviewing body.

The Political Reform Act, Government Code Section 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission (“FPPC”) has adopted a regulation, California Code of Regulations, Title 2, division 6, Section 18730 (hereinafter “CCR 18730”), which contains the terms of a standard conflict of interest code. It can be incorporated by reference and may be amended by the FPPC after public notice and hearings to conform to amendments in the Political Reform Act. Therefore, the terms of CCR 18730 and any amendments to it duly adopted by the FPPC are hereby incorporated by reference and, along with the attached document in which members and employees are designated and disclosure schedules are set forth, constitute the conflict of interest code of the San Mateo County Countywide Oversight Board.

Designated filers shall file statements of economic interests with the agency. Upon receipt of such statements of economic interests, the agency shall make and retain a copy and forward the original of these statements to the Clerk of the Board of Supervisors. The original statements for all other designated employees will be retained by the agency.
