Subject: Amendment to the 2000 Reimbursement Agreement Between the Former San Bruno Redevelopment Agency and the City of San Bruno.

**Recommendation**

Adopt a resolution approving the amendment of a Reimbursement Agreement between the Successor Agency to the San Bruno Redevelopment Agency and the City of San Bruno pursuant to Health and Safety (H&S) Section Code 34180(b).

**Background**

According to Health and Safety Section Code 34177.5 (a)(3) a successor agency may amend an existing enforceable obligation under which it is obligated to reimburse a political subdivision of the state for the payment of debt service on a bond or other obligation of the political subdivision, or to pay all or a portion of the debt service on the bond or other obligation of the political subdivision to provide savings to the successor agency.

**Discussion**

The obligation of the former RDA under the said Reimbursement Agreement constitutes an indebtedness of the former RDA which was approved as an enforceable obligation by the Department of Finance in a letter dated May 25, 2012 and as such is eligible for funding under the SA’s Recognized Obligations Payment Schedule.

An approval by the Oversight Board of the amendment to the Reimbursement Agreement is required pursuant to H&S Code 34180(b).

**Fiscal Impact**

Approval of the amendment to the Reimbursement Agreement will result in an annual savings of $128,000 which will be passed on to the affected taxing entities as an increase in residual.

A – Department of Finance Letter dated May 25, 2012  
B - Successor Agency Staff Report of Former Redevelopment Agency of San Bruno
May 25, 2012

Kim Juran, Finance Director
City of San Bruno
567 El Camino Real
San Bruno, CA 94066

Dear Ms. Juran:

Subject: Recognized Obligation Payment Schedule Approval Letter

Pursuant to Health and Safety Code (HSC) section 34177 (l) (2) (C), the San Bruno Successor Agency submitted Recognized Obligation Payment Schedules (ROPS) to the California Department of Finance (Finance) on May 22, 2012 for the periods January to June 2012 and July to December 2012. Finance is assuming appropriate oversight board approval. Finance has completed its review of your ROPS, which may have included obtaining clarification for various items.

January through June 2012 ROPS

In Finance's letter dated April 26, 2012, we questioned the following items:

- Items 1 and 2, on page 1, totaling $3.1 million.
- Administrative expenses totaling $15,738. Items 11 through 13 on page 1 were considered administrative costs.

The Agency submitted a revised ROPS and additional information. Based on our review of the revised ROPS, the Agency reduced its administrative expenses to the allowed minimum amount of $250,000. Therefore, we are no longer questioning this item. However, the following is an update to items that remain as reported in our April 26, 2012 letter:

- Items 1 and 2 on page 1. The loan agreement provided was signed in 1998. However, City Ordinance 1491 passed in 1988 established the RDA. HSC section 34171 (d) (2) states that loans between the City and the RDA are valid if entered into within two years of the creation of the RDA. Because the loan was entered into in 1998 and the Agency was created in 1988, these items remain as not EOs.

July through December 2012 ROPS

HSC section 34171 (d) lists enforceable obligation (EO) characteristics. Items previously questioned during our review of the January through June 2012 ROPS were reported as items on the July through December 2012 ROPS. Therefore, the following items do not qualify as EOs:

- Items 1 and 2 on page 1 for city advances totaling $2.6 million. HSC section 34171 (d) (2) states that agreements, contracts, or arrangements between the city, county, or city and county that created the redevelopment agency (RDA) and the former RDA are not EOs.
Ms. Juran  
May 25, 2012  
Page 2

Except for items disallowed in whole or in part as enforceable obligations noted above, Finance is approving the remaining items listed in your ROPS for both periods. This is our determination with respect to any items funded from the Redevelopment Property Tax Trust Fund (RPPTF) for the June 1, 2012 property tax allocations. If your oversight board disagrees with our determination with respect to any items not funded with property tax, any future resolution of the disputed issue may be accommodated by amending the ROPS for the appropriate time period. Items not questioned during this review are subject to a subsequent review, if they are included on a future ROPS. If an item included on a future ROPS is not an enforceable obligation, Finance reserves the right to remove that item from the future ROPS, even if it was not removed from the preceding ROPS.

Please refer to Exhibit 12 at http://www.dof.ca.gov/assembly_bills_26-27/view.php for the amount of RPPTF that was approved by Finance based on the schedule submitted.

As you are aware the amount of available RPPTF is the same as the property tax increment that was available prior to ABx1 26. This amount is not and never was an unlimited funding source. Therefore as a practical matter, the ability to fund the items on the ROPS with property tax is limited to the amount of funding available in the RPPTF.

Please direct inquiries to Chikako Takagi-Galamba, Supervisor or Cindie Lor, Lead Analyst at (916) 322-2985.

Sincerely,

MARK HILL  
Program Budget Manager

To: San Mateo County Countywide Oversight Board

From: Keith DeMartini, Finance Director

Subject: Adopt a Resolution Approving the Refunding of 2000 Certificate of Participation ("COP")

Former RDA: Oversight Board to the San Bruno Successor Agency

Recommendation

It is recommended that the Oversight Board adopt the following resolution, respectively:

1. A RESOLUTION OF THE OVERSIGHT BOARD FOR THE SAN BRUNO SUCCESSOR AGENCY AUTHORIZING AND APPROVING AN AMENDMENT TO THE REIMBURSEMENT AGREEMENT BETWEEN THE SAN BRUNO SUCCESSOR AGENCY AND THE CITY OF SAN BRUNO, MAKING CERTAIN DETERMINATIONS WITH RESPECT TO THE AMENDMENT TO THE REIMBURSEMENT AGREEMENT, AND PROVIDING FOR OTHER MATTERS PROPERLY RELATING THERETO.

Background

In 2000, the City of San Bruno ("City") issued $9,600,000 City of San Bruno Certificates of Participation, Series 2000 (Police Facility Financing) (the "2000 COPS") to fund the construction of the Police Facility. The Police Facility is a 3-story building containing 25,163 Square feet owned by the City of San Bruno on land leased from BART. The City occupies 80% of the facility and subleases the other 20% to BART. The lease payments of approximately $650,000 per year are an obligation of the City’s General Fund; however, they are paid by the Successor Agency, formerly the Redevelopment Agency, from tax revenues or formerly tax increment revenues that are included on the Successor Agency’s annual ROPs per the Reimbursement Agreement between the City and the Redevelopment Agency dated December 1, 2000.

Presently, the 2000 COPs remaining principal is $5,995,000 that bears interest at a rate of 5.15% to 5.25%. The February 1, 2019 principal payment of $335,000 will be paid from tax revenues from the FY2018-19 ROPs and the remaining principal of $5,660,000 is proposed to be refunded.

It is estimated that the refunding of the 2000 COPs through the issuance of the Lease Revenue Bonds, Series 2019 (the“2019 LRBs”) based on market rates as of October 30, 2018 will produce net Present Value Savings of approximately 12.00% which is well over the GFOA best practices
benchmark of 5.00% and provide annual average reduction in debt service payments of approximately $128,000 that will benefit the City and many other governmental agencies. The term of the COPs will remain the same with a final maturity in 2031. Closing costs, including municipal advisor, attorney and other professional services fees associated with the refunding, will be paid once the sales closes. All fees are estimated at approximately $239,000. The City is not anticipating to pay any costs directly as a result of the COP refunding.

**ACTIONS REQUIRED TO REFUND 2000 COPs**

**City Council Action: (Approved on November 13, 2018):** City Council Resolution approving the issuance of the Lease Revenue Bonds, Series 2019 and approving the form of the of the Indenture, Site Lease, Lease and any other required documents.

**San Bruno Financing Authority Action: (Approved on November 13, 2018):** Authority Resolution approving the issuance of the Lease Revenue Bonds, Series 2019 and approving the form of the Indenture, Site Lease, Lease, Assignment Agreement and any other required documents.

**Successor Agency Action: (Approved on November 13, 2018):** Successor Agency Resolution approving an amendment to the Reimbursement Agreement and requesting approval by the Oversight Board.

It is anticipated that the refunding of the 2000 COPs will produce an annual average reduction in the Successor Agency obligation under the Amended Reimbursement Agreement to make debt service payments of approximately $128,000. This will result in an average annual increase of approximately $19,000 property tax revenues to the City. This reduction in annual debt service will also generate additional property tax revenues for distribution to the other affected taxing entities, including San Mateo County, the San Bruno Park Elementary School District, San Mateo Union High School District, San Mateo Junior College, Colma CR Flood Control, San Bruno Creek Flood, Bay Area Air Pollution, Mosquito Abatement, Peninsula Hospital District, and County Education Tax. The Successor Agency’s municipal advisor (“Municipal Advisor”) has prepared a debt service savings analysis to demonstrate the debt service savings that can be achieved by the proposed refunding.

Issuance of refunding bonds requires approval by the Successor Agency’s Oversight Board and the California Department of Finance (“DOF”) with respect to the Successor Agency’s obligations under the Reimbursement Agreement, which by its terms reimburses the City for the lease payments providing the source of payment of the 2000 COPs. The Reimbursement Agreement needs to be amended to reference a 2019 lease rather than the original 2000 lease and to reference the 2019 LRBs rather than the 2000 COPS. Because the Reimbursement Agreement is presently an enforceable obligation and the impact of the refunding would be to reduce the amount of property tax revenues required by the Successor Agency to pay debt service pursuant to the Reimbursement Agreement, it is anticipated that the DOF will not object to the action modifying the Reimbursement Agreement to apply to the refunding transaction. Successor agencies throughout the State have successfully allowed refunding of similar outstanding debt.
Since the passage of AB 1484 there have been a total of 384 redevelopment debts refunded, including 41 redevelopment debts in 2018.

Once the Oversight Board has acted, the Successor Agency resolution, the Oversight Board resolution, the proposed legal documents and the debt service savings report (“Debt Service Savings Analysis Report”) will be forwarded to the DOF, which has up to sixty days to approve the Oversight Board resolution.

ISSUES/ANALYSIS

Enforceable obligations of the Successor Agency are subject to the DOF approval. AB 1484 allows outstanding Tax Allocation Bonds to be refunded subject to review and approval of the DOF and the Successor Agency’s obligation under the Reimbursement Agreement as a debt service obligation. Staff anticipate the review will be the same as conducted in connection with a refunding of bonds issued by any successor agency, which will meet a savings test set forth in the Dissolution Act. Staff has determined, in consultation with its Municipal Advisor, that the current bond market conditions are favorable for the issuance of the 2019 LRBs to refund the 2000 COPs and would meet the test.

The attached Debt Service Savings Analysis Report, based on market conditions as of October 30, 2018, shows the refinancing of the 2000 COPs is projected to generate net present value savings of approximately $1.5 million over the life of the indebtedness. The average annual savings are projected to be $128,000 beginning in 2020 and continuing through the Refunding Bonds’ final maturity in 2031. The term of the 2019 LRBs is the same as the original term of the 2000 COPS and will not be extended.

The dissolution law provides that such refinancings are subject to the approval of the Successor Agency, Oversight Board, and the DOF. The proposed action starts this process. If the 2000 COPs are refinanced, any savings accrued will increase the amount of residual property tax (previously known as tax increment) available for distribution to the taxing entities, including the City.

REFUNDING PROCESS

It is anticipated that the refunding will take approximately 4 months to complete, possibly shorter if the DOF doesn’t utilize the full 60 days to review. The key milestones to complete the refunding are identified below:

- City Council/Financing Authority/Successor Agency resolutions approving the refunding of the 2000 COPs and approving legal documents (Approved on November 13, 2018)
- Oversight Board’s approval of Successor Agency action in connection with the Refunding Bonds and make determination of savings (Today’s Action)
- Submission of resolutions of both the Successor Agency and Oversight Board and all the related documents to the DOF (Planned for November 28, 2018)
- Secure underlying credit rating (Planned for January 2019)
- Receive DOF’s Approval (Planned for January 2019)
• City Council/Financing Authority approval of the Preliminary Official Statement and remaining financing documents (Planned for February 12, 2019)
• Negotiated sale of Bonds (Planned for February 2019)
• Bond Closing (Anticipated in March 2019)

Financial Impact

The issuance of Refunding Bonds will result in an average annual reduction in debt service payments of approximately $128,000. This reduction in annual debt service payments frees up additional property tax revenues for distribution to affected taxing entities starting in 2020 and continuing through the final maturity in 2031. These are estimated savings based on current market conditions as of October 30, 2018 and are subject to change. Closing costs of approximately $239,000 will be paid from the proceeds of the bonds. NOW, THEREFORE, BE IT RESOLVED, as follows:

1. Recitals. The Recitals set forth above are true and correct and are incorporated into this Resolution by this reference.

2. Determination of Savings. This Oversight Board acknowledges that the Debt Service Savings Analysis on file with the Clerk of the Oversight Board and which was attached to the Memo from the City’s Finance Director to the Oversight Board which was submitted concurrently with this Resolution demonstrates that there are significant potential savings available to the Successor Agency and to applicable taxing entities in compliance with the Savings Parameters that would result from the execution and delivery by the Successor Agency of the Amended and Restated Reimbursement Agreement to facilitate the refunding and defeasance of the Prior Lease and Prior Obligations. The Oversight Board finds that the execution and delivery of the Amended and Restated Reimbursement Agreement is in the financial interests of the taxing entities provided that the limitations set forth in Section 34177.5(a)(1) are satisfied, and the Savings Parameters are achieved.

3. Direction and Approval of Amendment. As authorized by Sections 34177.5(f) and 34180(b), the Oversight Board hereby directs and authorizes the Successor Agency to undertake the amendment of the Reimbursement Agreement and the execution and delivery of the Amended and Restated Reimbursement Agreement in the aggregate principal amount not to exceed the amount set forth in the Successor Agency Resolution, pay issuance costs as permitted by applicable law, and establish required debt service reserves, provided that the principal and interest payable with respect to the Amended and Restated Reimbursement Agreement complies in all respects with the requirements of the Savings Parameters, as shall be certified by the Municipal Advisor upon delivery of the Amended and Restated Reimbursement Agreement.

4. Effective Date. Pursuant to Health and Safety Code Section 34177(f) and Section 34179(h), this Resolution shall be effective five (5) business days after proper notification hereof is given to the California Department of Finance unless the California Department of Finance requests a review of the actions taken in this Resolution, in which case this Resolution will be effective upon approval by the California Department of Finance.

5. Transmittal. Staff to the Oversight Board are hereby directed to transmit this Resolution to the California Department of Finance.

WHEREAS, the City desires to refinance the Prior Lease to realize savings which will accrue to the Successor Agency and the applicable taxing entities, which the City cannot do so without the continuation of the payment of indebtedness of the Successor Agency under the Reimbursement Agreement; and

WHEREAS, Section 34177.5(a) grants the Successor Agency the authority, rights, and powers of the redevelopment agency to which it succeeded for the purpose of incurring indebtedness to refund indebtedness of its former redevelopment agency to provide savings to the successor agency, provided certain savings can be achieved as therein specified and provided the principal amount of the indebtedness does not exceed the amount required to defease the indebtedness, to establish customary debt service reserves, and to pay related costs of issuance; and

WHEREAS, the Successor Agency desires to amend the Reimbursement Agreement as permitted by Section 34177.5(a) for the purpose of achieving debt service savings within the parameters set forth in Section 34177.5(a)(1) (the “Savings Parameters”); and

WHEREAS, to determine compliance with the Savings Parameters for purposes of amending the Reimbursement Agreement, the Successor Agency has caused Fieldman Rolapp & Associates, Inc., as Municipal Advisor, to prepare an analysis of the potential savings that will accrue to the Successor Agency and to applicable taxing entities as a result of the use of the proceeds of the 2019 Bonds to refund the Prior Obligations (the “Debt Service Savings Analysis”); and

WHEREAS, the Successor Agency desires at this time to approve the indebtedness evidenced by the amendment of the Reimbursement Agreement and to approve the form of an Amended and Restated Reimbursement Agreement and authorize the execution and delivery of the Amended and Restated Reimbursement Agreement; and
WHEREAS, pursuant to Section 34179, the San Mateo County Countywide Oversight Board (the "Oversight Board") has been established; and

WHEREAS, the Successor Agency is now requesting that the Oversight Board direct the Successor Agency to undertake the refunding proceedings and to approve the amendment of the Reimbursement Agreement as contemplated by the form of an Amended and Restated Reimbursement Agreement pursuant to this Resolution; and

WHEREAS, the Successor Agency further requests that the Oversight Board make certain determinations described below on which the Successor Agency will rely in undertaking the refunding proceedings and the issuance of the 2019 Bonds.

NOW, THEREFORE, the Successor Agency to the San Bruno Redevelopment Agency RESOLVES as follows:

1. **Determination of Savings.** The Successor Agency has determined that there are significant potential savings available to the Successor Agency and to applicable taxing entities in compliance with the Savings Parameters by the amendment of the indebtedness set forth in the Reimbursement Agreement as contemplated by the form of an Amended and Restated Reimbursement Agreement, to facilitate the refunding of the Prior Obligations and Prior Lease, all as evidenced by the Debt Service Savings Analysis on file with the Successor Agency, which Debt Service Savings Analysis is hereby approved.

2. **Approval of Amendment.** The Successor Agency hereby authorizes and approves the execution and delivery of the Amended and Restated Reimbursement Agreement to provide for an enforceable obligation of the Successor Agency in the aggregate principal amount of not to exceed $5,500,000, provided that the obligation thereunder is in compliance with the Savings Parameters at the time of execution and delivery. Each of the Mayor, the City Manager, the Assistant City Manager and the Finance Director of the City, on behalf of the Successor Agency (each, an "Authorized Officer"), is hereby authorized and directed to execute and deliver, and the City Clerk of the City, on behalf of the Successor Agency, is hereby authorized and directed to attest to, the Amended and Restated Reimbursement Agreement for and in the name and on behalf of the Successor Agency, in substantially the form on file with the Successor Agency, with such changes therein, deletions therefrom and additions thereto as the Authorized Officer executing the same shall approve, such approval to be conclusively evidenced by the execution and delivery of the Amended and Restated Reimbursement Agreement. The Successor Agency hereby authorizes the delivery and performance of the Amended and Restated Reimbursement Agreement.

4. **Oversight Board Approval of the Action.** The Successor Agency hereby requests the Oversight Board, as authorized by Section 34177.5(f), to direct the Successor Agency to undertake the refunding proceedings and as authorized by Section 34177.5(f) and Section 34180 to approve the Amended and Restated Reimbursement Agreement pursuant to Section 34177.5(a)(1) and this Resolution.

5. **Filing of Debt Service Savings Analysis and Resolution.** The Successor Agency is hereby authorized and directed to file the Debt Service Savings Analysis, together with a certified copy of this Resolution, with the Oversight Board, and, as provided in Section 34180(j) with the San Mateo County Administrative Officer, the San Mateo County Auditor-Controller and the California Department of Finance.
6. **Official Actions.** The Authorized Officers and any and all other officers of the Successor Agency are hereby authorized and directed, for and in the name and on behalf of the Successor Agency, to do any and all things and take any and all actions, which they, or any of them, may deem necessary or advisable in obtaining the requested approvals by the Oversight Board and the California Department of Finance and in the execution and delivery of the Amended and Restated Reimbursement Agreement. Whenever in this Resolution any officer of the Successor Agency is directed to execute or countersign any document or take any action, such execution, countersigning or action may be taken on behalf of such officer by any person designated by such officer to act on his or her behalf in the case such officer is absent or unavailable.

7. **Effective Date.** This Resolution shall take effect from and after the date of approval and adoption thereof.

APPENDIX A  DEFINITIONS
APPENDIX B  FORM OF BOND
INDENTURE OF TRUST

This INDENTURE OF TRUST (this “Indenture”), dated for convenience as of _____ 1, 2019, is between the SAN BRUNO PUBLIC FINANCING AUTHORITY, a joint powers authority duly organized and existing under the laws of the State of California (the “Authority”), and MUFG UNION BANK, N.A., a national banking association organized and existing under the laws of the United States of America, with a corporate trust office in San Francisco, California, being qualified to accept and administer the trusts hereby created (the “Trustee”).

BACKGROUND:

1. The City has previously caused the execution and delivery of the City of San Bruno Certificates of Participation, Series 2000 (Police Facility Financing) in the aggregate initial principal amount of $9,600,000 in 2000 (the “Prior Obligations”) for the purpose of financing certain obligations of the City.

2. The City is proceeding to refinance the outstanding Prior Obligations for interest rate savings.

3. To that end, the City is leasing certain real property and improvements thereon owned by the City, consisting of the Police Station, as described in Appendix A attached hereto (the “Leased Property”), to the Authority under this Site Lease in consideration of the payment by the Authority of an upfront rental payment (the “Site Lease Payment”) to prepay the Prior Obligations.

4. The Authority has authorized the issuance of its San Bruno Public Financing Authority Lease Revenue Bonds, Series 2019 in the aggregate principal amount of $___________ (the “Bonds”) under this Indenture for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

5. In order to provide revenues to enable the Authority to pay debt service on the Bonds, the Authority is leasing the Leased Property back to the City under a Lease Agreement dated as of ________ 1, 2019 and recorded concurrently herewith (the “Lease”), under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

6. The lease payments made by the City under the Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement, dated as of ________ 1, 2019, between the Authority as assignor and the Trustee as assignee, and recorded concurrently herewith.

7. In order to provide for the authentication and delivery of the Bonds, to establish and declare the terms and conditions upon which the Bonds are to be issued and to secure the payment of the principal thereof, premium (if any) and interest thereon, the Authority has authorized the execution and delivery of this Indenture.

8. The Authority has found and determined, and hereby affirms, that all acts and proceedings required by law necessary to make the Bonds, when executed by the
Authority, authenticated and delivered by the Trustee and duly issued, the valid, binding and legal special obligations of the Authority, and to constitute this Indenture a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Indenture have been in all respects duly authorized.

AGREEMENT:

In order to secure the payment of the principal of and the interest and redemption premium (if any) on all the Outstanding Bonds under this Indenture according to their tenor, and to secure the performance and observance of all the covenants and conditions therein and herein set forth, and to declare the terms and conditions upon and subject to which the Bonds are to be issued and received, and in consideration of the premises and of the mutual covenants herein contained and of the purchase and acceptance of the Bonds by the Owners thereof, and for other valuable considerations, the receipt of which is hereby acknowledged, the Authority and the Trustee do hereby covenant and agree with one another, for the benefit of the respective Owners from time to time of the Bonds, as follows:

THE BONDS

SECTION 2.01. Authorization of Bonds. The Authority has reviewed all proceedings heretofore taken and has found, as a result of such review, and hereby finds and determines that all things, conditions and acts required by law to exist, happen or be performed precedent to and in connection with the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by law, and the Authority is now duly empowered, under each and every requirement of law, to issue the Bonds in the manner and form provided in this Indenture.

The Authority hereby authorizes the issuance of Bonds in the aggregate principal amount of $_________ under the Bond Law for the purposes of providing funds to pay the Site Lease Payment to the City and thereby provide funds to prepay the Prior Obligations. The Bonds are authorized and issued under, and are subject to the terms of, this Indenture and the Bond Law. The Bonds are designated the “San Bruno Public Financing Authority Lease Revenue Bonds, Series 2019.

SECTION 2.02. Terms of the Bonds.

(a) Payment Provisions. The Bonds shall be issued in fully registered form without coupons in denominations of $5,000 or any integral multiple thereof, so long as no Bond has more than one maturity date.

The Bonds shall mature on March 1 in each of the years and in the amounts, and bear interest (calculated on the basis of a 360-day year of twelve 30-day months) at the rates, as follows:

<table>
<thead>
<tr>
<th>Maturity Date (March 1)</th>
<th>Principal Amount</th>
<th>Interest Rate</th>
</tr>
</thead>
</table>

Interest on the Bonds is payable from the Interest Payment Date next preceding the date of authentication thereof unless:

(a) a Bond is authenticated on or before an Interest Payment Date and after the close of business on the preceding Record Date, in which event it will bear interest from such Interest Payment Date,

(b) a Bond is authenticated on or before the first Record Date, in which event interest thereon will be payable from the Closing Date, or
(c) interest on any Bond is in default as of the date of authentication thereof, in which event interest thereon will be payable from the date to which interest has been paid in full, payable on each Interest Payment Date.

Interest is payable on each Interest Payment Date to the persons in whose names the ownership of the Bonds is registered on the Registration Books at the close of business on the immediately preceding Record Date, except as provided below. Interest on any Bond which is not punctually paid or duly provided for on any Interest Payment Date is payable to the person in whose name the ownership of such Bond is registered on the Registration Books at the close of business on a special record date for the payment of such defaulted interest to be fixed by the Trustee, notice of which is given to such Owner by first-class mail not less than 10 days prior to such special record date.

The Trustee will pay interest on the Bonds by check of the Trustee mailed by first class mail, postage prepaid, on each Interest Payment Date to the Owners of the Bonds at their respective addresses shown on the Registration Books as of the close of business on the preceding Record Date. At the written request of the Owner of Bonds in an aggregate principal amount of at least $1,000,000, which written request is on file with the Trustee as of any Record Date, the Trustee will pay interest on such Bonds on each succeeding Interest Payment Date by wire transfer in immediately available funds to such account of a financial institution within the United States of America as specified in such written request, which written request will remain in effect until rescinded in writing by the Owner. The Trustee will pay principal of the Bonds in lawful money of the United States of America by check of the Trustee upon presentation and surrender thereof at the Office of the Trustee.

SECTION 2.03. Transfer and Exchange of Bonds.

(a) Transfer. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. The Trustee shall require the Owner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Whenever any Bond or Bonds shall be surrendered for transfer, the Authority shall execute and the Trustee shall authenticate and deliver to the transferee a new Bond or Bonds of like series, interest rate, maturity and aggregate principal amount. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer of Bonds.

(b) Exchange. The Bonds may be exchanged at the Office of the Trustee for a like aggregate principal amount of Bonds of other authorized denominations and of the same series, interest rate and maturity. The Trustee shall require the Owner requesting such exchange to pay any tax or other governmental charge required to be paid with respect to such exchange. The Authority shall pay the cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange of Bonds.
(c) **Limitations.** The Trustee may refuse to transfer or exchange, under the provisions of this Section 2.03, any Bonds selected by the Trustee for redemption under Article IV, or any Bonds during the period established by the Trustee for the selection of Bonds for redemption.

**SECTION 2.04. Book-Entry System.**

(a) **Original Delivery.** The Bonds will be initially delivered in the form of a separate single fully registered bond (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the Trustee shall register the ownership of each Bond on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, the Authority and the Trustee has no responsibility or obligation to any Depository System Participant or to any person on behalf of which the Nominee holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, the Authority and the Trustee has no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed if the Authority elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bond Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Authority and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal of and premium, if any, and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and the interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner shall receive a Bond evidencing the obligation of the Authority to make payments of principal, interest and premium, if any, under this Indenture. Upon delivery by the Depository to the Authority of written notice to the effect that the Depository has determined to substitute a new Nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Authority shall promptly deliver a copy of the same to the Trustee.

(b) **Representation Letter.** In order to qualify the Bonds for the Depository’s book-entry system, the Authority shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Authority or the Trustee any obligation whatsoever.
with respect to persons having interests in the Bonds other than the Bond Owners. Upon the written acceptance by the Trustee, the Trustee shall agree to take all action reasonably necessary for all representations of the Trustee in such letter with respect to the Trustee to at all times be complied with. In addition to the execution and delivery of such letter, the Authority may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository’s book-entry program.

(c) Transfers Outside Book-Entry System. If either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Authority determines to terminate the Depository as such, then the Authority shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Authority and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Authority fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

If the Authority determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the Authority may notify the Depository System Participants of the availability of such certificated Bonds through the Depository. In such event, the Trustee will issue, transfer and exchange Bonds as required by the Depository and others in appropriate amounts; and whenever the Depository requests, the Trustee and the Authority shall cooperate with the Depository in taking appropriate action (y) to make available one or more separate certificates evidencing the Bonds to any Depository System Participant having Bonds credited to its account with the Depository, or (z) to arrange for another Securities Depository to maintain custody of a single certificate evidencing such Bonds, all at the Authority’s expense.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

SECTION 2.05. Registration Books. The Trustee will keep or cause to be kept, at the Office of the Trustee, sufficient records for the registration and transfer of ownership of the Bonds, which shall upon reasonable notice as agreed to by the Trustee, be open to inspection during regular business hours by the Authority; and, upon presentation for such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on such records, the ownership of the Bonds as hereinbefore provided.

SECTION 2.06. Form and Execution of Bonds. The Bonds, the form of Trustee’s certificate of authentication, and the form of assignment to appear thereon, are set forth in Appendix B attached hereto and by this reference incorporated herein, with necessary
or appropriate variations, omissions and insertions, as permitted or required by this
Indenture.

The Chairman or the Executive Director of the Authority shall execute, and the
Secretary of the Authority shall attest each Bond. Either or both of such signatures may
be made manually or may be affixed by facsimile thereof. If any officer whose signature
appears on any Bond ceases to be such officer before the Closing Date, such signature
will nevertheless be as effective as if the officer had remained in office until the Closing
Date. Any Bond may be signed and attested on behalf of the Authority by such persons
as at the actual date of the execution of such Bond are the proper officers of the Authority,
duly authorized to execute debt instruments on behalf of the Authority, although on the
date of such Bond any such person was not an officer of the Authority.

Only those Bonds bearing a certificate of authentication in the form set forth in
Appendix B, manually executed and dated by the Trustee, are valid or obligatory for any
purpose or entitled to the benefits of this Indenture, and such certificate of the Trustee is
conclusive evidence that such Bonds have been duly authenticated and delivered
hereunder and are entitled to the benefits of this Indenture.

SECTION 2.07. Bonds Mutilated, Lost, Destroyed or Stolen. If any Bond is
mutilated, the Authority, at the expense of the Owner of such Bond, shall execute, and the
Trustee shall thereupon authenticate and deliver, a new Bond of like tenor in exchange
and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the
Bond so mutilated. The Trustee shall cancel every mutilated Bond surrendered to it and
deliver such mutilated Bond to, or upon the order of, the Authority. If any Bond is lost,
destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the
Trustee and, if such evidence is satisfactory and if indemnity satisfactory to the Trustee is
given, the Authority, at the expense of the Owner, shall execute, and the Trustee shall
thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution
for the Bond so lost, destroyed or stolen. The Trustee may require payment of a sum not
exceeding the actual cost of preparing each new Bond issued under this Section and of
the expenses which may be incurred by the Trustee in connection therewith. Any Bond
issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed
or stolen will constitute an original additional contractual obligation on the part of the
Authority whether or not the Bond so alleged to be lost, destroyed or stolen be at any time
enforceable by anyone, and shall be equally and proportionately entitled to the benefits of
this Indenture with all other Bonds issued under this Indenture.

Notwithstanding any other provision of this Section 2.07, in lieu of delivering a new
Bond for which principal has become due for a Bond which has been mutilated, lost,
destroyed or stolen, the Trustee may make payment of such Bond in accordance with its
terms upon receipt of indemnity satisfactory to the Trustee.
ARTICLE III

ISSUANCE OF BONDS; APPLICATION OF PROCEEDS

SECTION 3.01. Issuance of the Bonds. At any time after the execution of this Indenture, the Authority may execute and the Trustee shall authenticate and, upon the Written Request of the Authority, deliver the Bonds to the Original Purchaser.

SECTION 3.02. Application of Proceeds of Sale of Bonds. Upon the receipt of payment for the purchase price of the Bonds in the amount of $__________ (constituting the par amount of the Bonds, plus/less [net] original issue premium/discount in the amount of $_______, less the discount of the Original Purchaser in the amount of $_______), on the Closing Date, the Trustee shall deposit the proceeds thereof as follows:

(a) The Trustee shall deposit the amount of $__________ into the Costs of Issuance Fund.

(b) The Trustee shall deposit the amount of $_______ into the Refunding Fund.

SECTION 3.03. Establishment and Application of Costs of Issuance Fund. The Trustee shall establish, maintain and hold in trust a separate fund designated as the “Costs of Issuance Fund” into which the Trustee shall deposit a portion of the proceeds of sale of the Bonds under Section 3.02(a). The Trustee shall disburse amounts in the Costs of Issuance Fund from time to time to pay the Costs of Issuance upon submission of a Written Requisition of the Authority stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Requisition of the Authority shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. The Trustee may conclusively rely on such Written Requisitions and shall be fully protected in relying thereon. Any funds remaining in the Cost of Issuance Fund on _______ 1, 2019, shall be transferred by the Trustee to the Interest Account and used to pay interest on the Bonds. Following such transfer, the Cost of Issuance Fund shall be closed.

SECTION 3.04. Establishment and Application of Refunding Fund. ARTICLE IV

REDEMPTION OF BONDS

SECTION 4.01. Terms of Redemption.

(a) Optional Redemption. The Bonds maturing on or before March 1, 20__ are not subject to optional redemption prior to their stated maturity. The Bonds maturing on or after March 1, 20__ are subject to redemption, as a whole or in part, at the election of the Authority among maturities on such basis as designated by the Authority and by lot within a maturity, at the option of the Authority, on March 1, 20__ and on any date thereafter, at a redemption price equal to 100% of the principal amount of Bonds to be redeemed, together with accrued interest thereon to the date fixed for redemption, without premium.

The Authority must give the Trustee written notice of its intention to redeem Bonds under this subsection (a), and the manner of selecting such Bonds for redemption from among the maturities thereof, in sufficient time to enable the Trustee to give notice of such redemption in accordance with Section 4.03.

(b) Special Mandatory Redemption From Insurance or Condemnation Proceeds. The Bonds are subject to redemption as a whole, or in part on a pro rata basis among maturities and series of Bonds, on any date, from any Net Proceeds required to be used for such purpose as provided in Section 5.07, at a redemption price equal to 100% of the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

(c) Sinking Fund Redemption. The Term Bonds are subject to mandatory redemption in part by lot, at a redemption price equal to 100% of the principal amount thereof to be redeemed, without premium, in the aggregate respective principal amounts and on March 1 in the respective years as set forth in the following table; provided, however, that if some but not all of the Term Bonds have been redeemed pursuant to an optional redemption or special mandatory redemption from insurance or condemnation proceeds, the total amount of all future sinking fund payments shall be reduced by the aggregate principal amount of the Term Bonds so redeemed, to be allocated among such sinking fund payments on a pro rata basis in integral multiples of $5,000 (as set forth in a schedule provided by the Authority to the Trustee).

SECTION 4.02. Selection of Bonds for Redemption. Whenever provision is made in this Indenture for the redemption of less than all of the Bonds of a single maturity or series, the Trustee shall select the Bonds of that maturity or series to be redeemed by lot in any manner which the Trustee in its sole discretion deems appropriate. For purposes of such selection, the Trustee shall treat each Bond as consisting of separate $5,000 portions and each such portion shall be subject to redemption as if such portion were a separate Bond.

SECTION 4.03. Notice of Redemption; Rescission. The Trustee shall mail notice of redemption of the Bonds by first class mail, postage prepaid, not less than 20 nor more than 60 days before any redemption date, to the respective Owners of any Bonds designated for redemption at their addresses appearing on the Registration Books and to one or more Securities Depositories and to the Municipal Securities Rulemaking Board as provided in the Continuing Disclosure Certificate. Each notice of redemption shall state the date of the notice, the redemption date, the place or places of redemption, whether less than all of the Bonds (or all Bonds of a single maturity) are to be redeemed, the CUSIP numbers and (in the event that not all Bonds within a maturity are called for redemption) Bond numbers of the Bonds to be redeemed and the maturity or maturities of the Bonds to be redeemed, and in the case of Bonds to be redeemed in part only, the respective portions of the principal amount thereof to be redeemed. Each such notice shall also state that on the redemption date there will become due and payable on each of said Bonds the redemption price thereof, and that from and after such redemption date interest thereon shall cease to accrue, and shall require that such Bonds be then surrendered to the Trustee. Neither the failure to receive any notice nor any defect therein shall affect the sufficiency of the proceedings for such redemption or the cessation of accrual of interest from and after the redemption date. Notice of redemption of Bonds shall be given by the Trustee, at the expense of the Authority, for and on behalf of the Authority.

The Authority has the right to rescind any notice of the redemption of Bonds under Section 4.01(a) by written notice to the Trustee on or prior to the dated fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default. The Authority and the Trustee have no liability to the Bond Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner as the original notice of redemption was sent under this Section.

SECTION 4.04. Partial Redemption of Bonds. Upon surrender of any Bonds redeemed in part only, the Authority shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Authority, a new Bond or Bonds of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bonds surrendered.
SECTION 4.05. **Effect of Redemption.** Notice of redemption having been duly given as aforesaid, and moneys for payment of the redemption price of, together with interest accrued to the date fixed for redemption on, including any applicable premium, the Bonds (or portions thereof) so called for redemption being held by the Trustee, on the redemption date designated in such notice, the Bonds (or portions thereof) so called for redemption shall become due and payable, interest on the Bonds so called for redemption shall cease to accrue, said Bonds (or portions thereof) shall cease to be entitled to any benefit or security under this Indenture, and the Owners of said Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof.

All Bonds redeemed under the provisions of this Article shall be canceled by the Trustee upon surrender thereof and destroyed in accordance with the retention policy of the Trustee then in effect.

ARTICLE V

**REVENUES; FUNDS AND ACCOUNTS; PAYMENT OF PRINCIPAL AND INTEREST**

SECTION 5.01. **Security for the Bonds; Bond Fund.**

(a) **Pledge of Revenues and Other Amounts.** Subject only to the provisions of this Indenture permitting the application thereof for the purposes and on the terms and conditions set forth herein, all of the Revenues and all amounts held in any fund or account established under this Indenture are hereby pledged to secure the payment of the principal of and interest and premium (if any) on the Bonds in accordance with their terms and the provisions of this Indenture. Said pledge constitutes a lien on and security interest in the Revenues and such amounts and shall attach, be perfected and be valid and binding from and after the Closing Date, without the need for any physical delivery thereof or further act.

(b) **Assignment to Trustee.** Under the Assignment Agreement, the Authority has transferred to the Trustee all of the rights of the Authority in the Lease (other than the rights of the Authority under Sections 4.5, 5.10, 7.3 and 8.4 thereof). The Trustee is entitled to collect and receive all of the Revenues, and any Revenues collected or received by the Authority shall be deemed to be held, and to have been collected or received, by the Authority as the agent of the Trustee and shall forthwith be paid by the Authority to the Trustee. The Trustee is also entitled to and shall, subject to the provisions of Article VIII, take all steps, actions and proceedings which the Trustee determines to be reasonably necessary in its judgment to enforce, either jointly with the Authority or separately, all of the rights of the Authority and all of the obligations of the City under the Lease.

(c) **Deposit of Revenues in Bond Fund.** All Revenues shall be promptly deposited by the Trustee upon receipt thereof in a special fund designated as the “Bond Fund” which the Trustee shall establish, maintain and hold in trust; except that all moneys received by the Trustee and required hereunder or under the Lease to be deposited in the Redemption Fund or the Insurance and Condemnation Fund shall be promptly deposited in such funds. All Revenues deposited with the Trustee shall be held, disbursed, allocated
and applied by the Trustee only as provided in this Indenture. Any surplus remaining in the Bond Fund, after payment in full of (i) the principal of and interest on the Bonds or provision therefore under Article X, and (ii) any applicable fees and expenses to the Trustee, shall be withdrawn by the Trustee and remitted to the City.

SECTION 5.02. Allocation of Revenues. On or before each Interest Payment Date, the Trustee shall transfer from the Bond Fund and deposit into the following respective accounts (each of which the Trustee shall establish and maintain within the Bond Fund), the following amounts in the following order of priority:

(a) Deposit to Interest Account. The Trustee shall deposit in the Interest Account an amount required to cause the aggregate amount on deposit in the Interest Account to be at least equal to the amount of interest becoming due and payable on such Interest Payment Date on all Bonds then Outstanding.

(b) Deposit to Principal Account. The Trustee shall deposit in the Principal Account an amount required to cause the aggregate amount on deposit in the Principal Account to equal the principal amount of the Bonds coming due and payable on such Interest Payment Date.

SECTION 5.03. Application of Interest Account. All amounts in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying interest on the Bonds as it comes due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity), without any distinction between series of Bonds.

SECTION 5.04. Application of Principal Account. All amounts in the Principal Account shall be used and withdrawn by the Trustee solely to pay the principal amount of the Bonds at their respective maturity dates, without any distinction between series of Bonds.

SECTION 5.05. [Reserved].

SECTION 5.06. Application of Redemption Fund. The Trustee shall establish and maintain the Redemption Fund, into which the Trustee shall deposit a portion of the Revenues received, in accordance with a Written Request of the Authority, amounts in which shall be used and withdrawn by the Trustee solely for the purpose of paying the principal and premium (if any) of the Bonds to be redeemed under Section 4.01; provided, however, that at any time prior to the selection of Bonds for redemption, the Trustee may apply such amounts to the purchase of Bonds at public or private sale, when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as shall be directed under a Written Request of the Authority, except that the purchase price (exclusive of accrued interest) may not exceed the redemption price then applicable to the Bonds. The Trustee shall be entitled to conclusively rely on any Written Request of the Authority received under this Section 5.06, and shall be fully protected in relying thereon.

SECTION 5.07. Insurance and Condemnation Fund.

(a) Establishment of Fund. Upon the receipt of proceeds of insurance or eminent domain with respect to the Leased Property, the Trustee shall establish and maintain an
Insurance and Condemnation Fund, to be held and applied as hereinafter set forth in this Section 5.07.

(b) Application of Insurance Proceeds. Any Net Proceeds of insurance against accident to or destruction of the Leased Property collected by the City or the Authority in the event of any such accident or destruction shall be paid to the Trustee under Section 6.3 of the Lease and deposited by the Trustee promptly upon receipt thereof in the Insurance and Condemnation Fund. If the City fails to determine and notify the Trustee in writing of its determination, within 45 days following the date of such deposit, to replace, repair, restore, modify or improve the Leased Property which has been damaged or destroyed, then such Net Proceeds shall be promptly transferred by the Trustee to the Redemption Fund and applied to the redemption of Bonds under Section 4.01(b). Notwithstanding the foregoing sentence, however, if the Leased Property is damaged or destroyed in full, the Net Proceeds of such insurance shall be used by the City to rebuild or replace the Leased Property if such proceeds are not sufficient to redeem Outstanding Bonds equal in aggregate principal amount to the unpaid Lease Payments allocable to the Leased Property. All proceeds deposited in the Insurance and Condemnation Fund and not so transferred to the Redemption Fund shall be applied to the prompt replacement, repair, restoration, modification or improvement of the damaged or destroyed portions of the Leased Property by the City, upon receipt of a Written Request of the City which: (i) states with respect to each payment to be made (A) the requisition number, (B) the name and address of the person to whom payment is due, (C) the amount to be paid and (D) that each obligation mentioned therein has been properly incurred, is a proper charge against the Insurance and Condemnation Fund and has not been the basis of any previous withdrawal; and (ii) specifies in reasonable detail the nature of the obligation. Any balance of the proceeds remaining after such work has been completed as certified by the City under a Written Certificate to the Trustee shall be paid to the City. The Trustee shall be entitled to conclusively rely on any Written Request or Written Certificate received under this subsection (b) of this Section 5.07 and in each case, shall be fully protected in relying thereon.

(c) Application of Eminent Domain Proceeds. If all or any part of the Leased Property is taken by eminent domain proceedings (or sold to a government threatening to exercise the power of eminent domain) the Authority shall deposit or cause to be deposited with the Trustee the Net Proceeds therefrom, which the Trustee shall deposit in the Insurance and Condemnation Fund under Section 6.2(b) of the Lease and which shall be applied and disbursed by the Trustee as follows:

(i) If the City has not given written notice to the Trustee, within 45 days following the date on which such Net Proceeds are deposited with the Trustee, of its determination that such Net Proceeds are needed for the replacement of the Leased Property or such portion thereof, the Trustee shall transfer such Net Proceeds to the Redemption Fund to be applied towards the redemption of the Bonds under Section 4.01(b).

(ii) If the City has given written notice to the Trustee, within 45 days following the date on which such Net Proceeds are deposited with the Trustee, of its determination that such Net Proceeds are needed for replacement of the Leased Property or such portion thereof, the Trustee shall pay to the City, or to its order, from said proceeds such
amounts as the City may expend for such replacement, upon the filing of Written Requisitions of the City as agent for the Authority.

In each case, the Trustee may conclusively rely upon any notice received under this subsection (c)(ii) of this Section and is protected in relying thereon.

(d) Reliance on Independent Advice. In making any such determination whether to repair, replace or rehabilitate the Leased Property under this Section 5.07, the City may obtain, but is not required to obtain, at its expense, the report of an independent engineer or other independent professional consultant, a copy of which must be filed with the Trustee. The Trustee shall have no duty to review or examine such report. Any such determination by the City is final.

SECTION 5.08. Investments. All moneys in any of the funds or accounts established with the Trustee under this Indenture shall be invested by the Trustee solely in Permitted Investments. Such investments shall be directed by the Authority in a Written Request of the Authority filed with the Trustee at least two Business Days in advance of the making of such investments. In the absence of any such directions from the Authority, the Trustee shall hold funds uninvested. Permitted Investments purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. To the extent Permitted Investments are registrable, such Permitted Investments must be registered in the name of the Trustee.

All interest or gain derived from the investment of amounts in any of the funds or accounts established hereunder shall be deposited in the Bond Fund. For purposes of acquiring any investments hereunder, the Trustee may commingle funds held by it hereunder. The Trustee or any of its affiliates may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made under this Section 5.08.

The Trustee may make any investments hereunder through its own bond or investment department or trust investment department, or those of its parent or any affiliate. The Trustee or any of its affiliates may act as sponsor, advisor or manager in connection with any investments made by the Trustee hereunder. The Trustee is hereby authorized, in making or disposing of any investment permitted by this Section, to deal with itself (in its individual capacity) or with any one or more of its affiliates, whether it or such affiliate is acting as an agent of the Trustee or for any third person or is dealing as a principal for its own account.

The Trustee shall furnish the Authority periodic cash transaction statements which shall include detail for all investment transactions effected by the Trustee. Upon the Authority's election, such statements will be delivered via the Trustee providing the Authority with online access to the Trustee's system with respect to this Indenture and upon electing such service, paper statements will be provided only upon request. The Authority waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The Authority further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.
SECTION 5.09. **Valuation and Disposition of Investments.**

(a) Except as otherwise provided in subsection (b) of this Section, the Authority covenants that all investments of amounts deposited in any fund or account created by or under this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Tax Code) shall be acquired, disposed of and valued at the Fair Market Value thereof as such term is defined in subsection (d) below. The Trustee shall have no duty in connection with the determination of Fair Market Value other than to follow the investment directions of the Authority in any Written Request of the Authority.

(b) Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Tax Code; provided that the Authority shall inform the Trustee in writing which funds are subject to a yield restriction.

(c) For the purpose of determining the amount in any fund or account established hereunder, the value of Permitted Investments credited to such fund shall be valued by the Trustee at least annually on or before July 15. The Trustee may sell or present for redemption, any Permitted Investment so purchased by the Trustee whenever it is necessary in order to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investment is credited, and the Trustee shall not be liable or responsible for any loss resulting from any such Permitted Investment.

(d) For purposes of this Section 5.09, the term “Fair Market Value” means the price at which a willing buyer would purchase the investment from a willing seller in a bona fide, arm’s length transaction (determined as of the date the contract to purchase or sell the investment becomes binding) if the investment is traded on an established securities market (within the meaning of Section 1273 of the Tax Code) and, otherwise, the term “Fair Market Value” means the acquisition price in a bona fide arm’s length transaction (as referenced above) if (i) the investment is a certificate of deposit that is acquired in accordance with applicable regulations under the Tax Code, (ii) the investment is an agreement with specifically negotiated withdrawal or reinvestment provisions and a specifically negotiated interest rate (for example, a guaranteed investment contract, a forward supply contract or other investment agreement) that is acquired in accordance with applicable regulations under the Tax Code, or (iii) the investment is a United States Treasury Security -- State and Local Government Series which is acquired in accordance with applicable regulations of the United States Bureau of Public Debt.

(e) To the extent of any valuations made by the Trustee hereunder, the Trustee may utilize and rely upon computerized securities pricing services that may be available to it, including those available through its regular accounting system.
ARTICLE VI

COVENANTS OF THE AUTHORITY

SECTION 6.01. Punctual Payment. The Authority shall punctually pay or cause to be paid the principal of and interest and premium (if any) on all the Bonds in strict conformity with the terms of the Bonds and of this Indenture, according to the true intent and meaning thereof, but only out of the Revenues and other amounts pledged for such payment as provided in this Indenture.

SECTION 6.02. Extension of Payment of Bonds. The Authority shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which have not been so extended. Nothing in this Section 6.02 limits the right of the Authority to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance does not constitute an extension of maturity of the Bonds.

SECTION 6.03. Against Encumbrances. The Authority shall not create, or permit the creation of, any pledge, lien, charge or other encumbrance upon the Revenues and other assets pledged or assigned under this Indenture while any of the Bonds are Outstanding, except the pledge and assignment created by this Indenture. Subject to this limitation, the Authority expressly reserves the right to enter into one or more other indentures for any of its corporate purposes, and reserves the right to issue other obligations for such purposes.

SECTION 6.04. Power to Issue Bonds and Make Pledge and Assignment. The Authority is duly authorized under law to issue the Bonds and to enter into this Indenture and to pledge and assign the Revenues and other amounts purported to be pledged and assigned, respectively, under this Indenture and under the Assignment Agreement in the manner and to the extent provided in this Indenture and the Assignment Agreement. The Bonds and the provisions of this Indenture are and will be the legal, valid and binding special obligations of the Authority in accordance with their terms, and the Authority and the Trustee shall at all times, subject to the provisions of Article VIII and to the extent permitted by law, defend, preserve and protect said pledge and assignment of Revenues and other assets and all the rights of the Bond Owners under this Indenture against all claims and demands of all persons whomsoever.

The Authority shall take all actions necessary to assure the continued validity of the Bonds, including any actions that are necessary to maintain its existence. Without limiting the generality of the foregoing, in the event the existence of the Authority is impaired by any termination of the existence of the Successor Agency to the Redevelopment Agency of the City of San Bruno, the Authority shall take or cause to be taken all actions as may be necessary to substitute another public agency as a member of the Authority for the purpose of maintaining the Authority’s legal existence.
SECTION 6.05. Accounting Records. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate industry standards, in which complete and accurate entries shall be made of all transactions made by it relating to the proceeds of Bonds and all funds and accounts established under this Indenture. The Trustee shall make such books of record and account available for inspection by the Authority and the City, during business hours, upon reasonable notice, and under reasonable circumstances.

SECTION 6.06. Limitation on Additional Obligations. Except as otherwise provided in Section 7.5(b)(v) of the Lease, the Authority covenants that no additional bonds, notes or other indebtedness shall be issued or incurred which are payable out of the Revenues in whole or in part.

SECTION 6.07. Tax Covenants.

(a) Private Business Use Limitation. The Authority shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) Federal Guarantee Prohibition. The Authority may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) No Arbitrage. The Authority may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) Maintenance of Tax Exemption. The Authority shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) Rebate of Excess Investment Earnings to United States. The Authority shall calculate or cause to be calculated all amounts of Excess Investment Earnings with respect to the Bonds which are required to be rebated to the United States of America under Section 148(f) of the Tax Code, at the times and in the manner required under the Tax Code. The Authority shall pay when due an amount equal to Excess Investment Earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code, such payments to be made from amounts paid by the City for that purpose under Section 4.5(d) of the Lease. The Authority shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e).

SECTION 6.08. Enforcement of Lease. The Trustee shall promptly collect all amounts (to the extent any such amounts are available for collection) due from the City under the Lease. Subject to the provisions of Article VIII, the Trustee shall enforce, and take all steps, actions and proceedings which the Trustee determines to be reasonably
necessary for the enforcement of all of its rights thereunder as assignee of the Authority and for the enforcement of all of the obligations of the City under the Lease.

SECTION 6.09. Waiver of Laws. The Authority shall not at any time insist upon or plead in any manner whatsoever, or claim or take the benefit or advantage of, any stay or extension law now or at any time hereafter in force that may affect the covenants and agreements contained in this Indenture or in the Bonds, and all benefit or advantage of any such law or laws is hereby expressly waived by the Authority to the extent permitted by law.

SECTION 6.10. Further Assurances. The Authority will make, execute and deliver any and all such further indentures, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture and for the better assuring and confirming unto the Owners of the Bonds of the rights and benefits provided in this Indenture.

ARTICLE VII

EVENTS OF DEFAULT AND REMEDIES

SECTION 7.01. Events of Default. The following events constitute Events of Default hereunder:

(a) Failure to pay any installment of the principal of any Bonds when due, whether at maturity as therein expressed, by proceedings for redemption, by acceleration, or otherwise.

(b) Failure to pay any installment of interest on the Bonds when due.

(c) Failure by the Authority to observe and perform any of the other covenants, agreements or conditions on its part contained in this Indenture or in the Bonds, if such failure has continued for a period of 30 days after written notice thereof, specifying such failure and requiring the same to be remedied, has been given to the Authority by the Trustee; provided, however, if in the reasonable opinion of the Authority the failure stated in the notice can be corrected, but not within such 30-day period, such failure shall not constitute an Event of Default if the Authority institutes corrective action within such 30-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time.

(d) The commencement by the Authority of a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

(e) The occurrence and continuation of an event of default under and as defined in the Lease.

SECTION 7.02. Remedies Upon Event of Default. If any Event of Default occurs, then, and in each and every such case during the continuance of such Event of Default,
the Trustee may, and at the written direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding shall, in each case, upon receipt of indemnification satisfactory to Trustee against the costs, expenses and liabilities to be incurred in connection with such action, upon notice in writing to the Authority, declare the principal of all of the Bonds then Outstanding, and the interest accrued thereon, to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, anything in this Indenture or in the Bonds contained to the contrary notwithstanding.

Any such declaration is subject to the condition that if, at any time after such declaration and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Authority deposits with the Trustee a sum sufficient to pay all the principal of and installments of interest on the Bonds payment of which is overdue, with interest on such overdue principal at the rate borne by the respective Bonds to the extent permitted by law, and the reasonable fees, charges and expenses (including those of its legal counsel, including the allocated costs of internal attorneys) of the Trustee, and any and all other Events of Default known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate has been made therefor, then, and in every such case, the Owners of a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Authority, the City and the Trustee, may, on behalf of the Owners of all of the Bonds, rescind and annul such declaration and its consequences and waive such Event of Default; but no such rescission and annulment shall extend to or shall affect any subsequent Event of Default, or shall impair or exhaust any right or power consequent thereon.

SECTION 7.03. Application of Revenues and Other Funds After Default. If an Event of Default occurs and is continuing, all Revenues and any other funds then held or thereafter received by the Trustee under any of the provisions of this Indenture shall be applied by the Trustee in the following order of priority:

(a) To the payment of reasonable fees, charges and expenses of the Trustee (including reasonable fees and disbursements of its legal counsel including outside counsel and the allocated costs of internal attorneys) incurred in and about the performance of its powers and duties under this Indenture;

(b) To the payment of the principal of and interest then due on the Bonds (upon presentation of the Bonds to be paid, and stamping or otherwise noting thereon of the payment if only partially paid, or surrender thereof if fully paid) in accordance with the provisions of this Indenture, as follows:

First: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon, to the persons entitled thereto, without any discrimination or preference; and
Second: To the payment to the persons entitled thereto of the unpaid principal of any Bonds which shall have become due, whether at maturity or by acceleration or redemption, with interest on the overdue principal at the rate borne by the respective Bonds (to the extent permitted by law), and, if the amount available shall not be sufficient to pay in full all the Bonds, together with such interest, then to the payment thereof ratably, according to the amounts of principal due on such date to the persons entitled thereto, without any discrimination or preference.

SECTION 7.04. Trustee to Represent Bond Owners. The Trustee is hereby irrevocably appointed (and the successive respective Owners of the Bonds, by taking and holding the same, shall be conclusively deemed to have so appointed the Trustee) as trustee and true and lawful attorney-in-fact of the Owners of the Bonds for the purpose of exercising and prosecuting on their behalf such rights and remedies as may be available to such Owners under the provisions of the Bonds, this Indenture and applicable provisions of any law. All rights of action under this Indenture or the Bonds may be prosecuted and enforced by the Trustee without the possession of any of the Bonds or the production thereof in any proceeding relating thereto, and any such suit, action or proceeding instituted by the Trustee shall be brought in the name of the Trustee for the benefit and protection of all the Owners of such Bonds, subject to the provisions of this Indenture.

SECTION 7.05. Limitation on Bond Owners’ Right to Sue. Notwithstanding any other provision hereof, no Owner of any Bonds has the right to institute any suit, action or proceeding at law or in equity, for the protection or enforcement of any right or remedy under this Indenture, the Lease or any other applicable law with respect to such Bonds, unless (a) such Owner has given to the Trustee written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of the Bonds then Outstanding have requested the Trustee in writing to exercise the powers hereinbefore granted or to institute such suit, action or proceeding in its own name; (c) such Owner or Owners have tendered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request; (d) the Trustee has failed to comply with such request for a period of 60 days after such written request has been received by, and said tender of indemnity has been made to, the Trustee; and (e) no direction inconsistent with such written request has been given to the Trustee during such 60 day period by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of Bonds of any remedy hereunder or under law; it being understood and intended that no one or more Owners of Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of this Indenture or the rights of any other Owners of Bonds, or to enforce any right under the Bonds, this Indenture, the Lease or other applicable law with respect to the Bonds, except in the manner herein provided, and that all proceedings at law or in equity to enforce any such right shall be instituted, had and maintained in the manner herein provided and for the benefit and protection of all Owners of the Outstanding Bonds, subject to the provisions of this Indenture.
SECTION 7.06. Absolute Obligation of Authority. Nothing herein or in the Bonds contained affects or impairs the obligation of the Authority, which is absolute and unconditional, to pay the principal of and interest and premium (if any) on the Bonds to the respective Owners of the Bonds at their respective dates of maturity, or upon acceleration or call for redemption, as herein provided, but only out of the Revenues and other assets herein pledged therefor, or affect or impair the right of such Owners, which is also absolute and unconditional, to enforce such payment by virtue of the contract embodied in the Bonds.

SECTION 7.07. Termination of Proceedings. In case any proceedings taken by the Trustee or by any one or more Bond Owners on account of any Event of Default have been discontinued or abandoned for any reason or have been determined adversely to the Trustee or the Bond Owners, then in every such case the Authority, the Trustee and the Bond Owners, subject to any determination in such proceedings, shall be restored to their former positions and rights hereunder, severally and respectively, and all rights, remedies, powers and duties of the Authority, the Trustee and the Bond Owners shall continue as though no such proceedings had been taken.

SECTION 7.08. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Trustee, to the Owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy, to the extent permitted by law, shall be cumulative and in addition to any other remedy given hereunder or now or hereafter existing at law or in equity or otherwise.

SECTION 7.09. No Waiver of Default. No delay or omission of the Trustee or any Owner of the Bonds to exercise any right or power arising upon the occurrence of any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or to the Owners of the Bonds may be exercised from time to time and as often as may be deemed expedient by the Trustee or the Bond Owners.

SECTION 7.10. Notice to Bond Owners of Default. Immediately upon becoming aware of the occurrence of an Event of Default, but in no event later than five Business Days following becoming aware of such occurrence, the Trustee shall promptly give written notice thereof by first class mail, postage prepaid, to the Owner of each Outstanding Bond, unless such Event of Default has been cured before the giving of such notice; provided, however that except in the case of an Event of Default described in Sections 7.01(a) or 7.01(b), the Trustee may elect not to give such notice to the Bond Owners if and so long as the Trustee in good faith determines that it is in the best interests of the Bond Owners not to give such notice.
ARTICLE VIII

THE TRUSTEE

SECTION 8.01. Appointment of Trustee. MUFG Union Bank, N.A. is hereby appointed Trustee by the Authority for the purpose of receiving all moneys required to be deposited with the Trustee hereunder and to allocate, use and apply the same as provided in this Indenture. The Authority will maintain a Trustee which is qualified under the provisions of the foregoing provisions of this Article VIII, so long as any Bonds are Outstanding.

SECTION 8.02. Acceptance of Trusts; Removal and Resignation of Trustee. The Trustee hereby accepts the express trusts imposed upon it by this Indenture, and agrees to perform said trusts, but only upon and subject to the following express terms and conditions:

(a) The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Indenture and no implied duties or covenants shall be read into this Indenture against the Trustee. If an Event of Default has occurred (which has not been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by hereunder, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Authority may remove the Trustee at any time, unless an Event of Default has occurred and is then continuing, and shall remove the Trustee (a) if at any time requested to do so by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (b) if at any time the Trustee ceases to be eligible in accordance with Section 8.02, or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property is appointed, or any public officer takes control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Authority and the City, and by giving the Bond Owners notice of such resignation by mail at the addresses shown on the Registration Books.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee. In the event of the removal or resignation of the Trustee under subsections (b) or (d), respectively, the Authority shall promptly appoint a successor Trustee.
If no successor Trustee has been appointed and accepted appointment within 45 days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture, must signify its acceptance of such appointment by executing and delivering to the Authority, to its predecessor Trustee a written acceptance thereof, and after payment by the Authority of all unpaid fees and expenses of the predecessor Trustee, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Authority or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to the Leased Property held by such predecessor Trustee under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the Authority shall promptly mail or cause the successor trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which is then rating the Bonds and to the Bond Owners at the addresses shown on the Registration Books. If the Authority fails to mail such notice within 15 days after acceptance of appointment by the successor Trustee, the successor Trustee shall cause such notice to be mailed at the expense of the Authority.

(e) Any Trustee appointed under this Indenture shall be a corporation or association organized and doing business under the laws of any state or the United States of America or the District of Columbia, shall be authorized under such laws to exercise corporate trust powers, shall have (or, in the case of a corporation or association that is a member of a bank holding company system, the related bank holding company has) a combined capital and surplus of at least $50,000,000, and shall be subject to supervision or examination by a federal or state agency, so long as any Bonds are Outstanding. If such corporation or association publishes a report of condition at least annually under law or to the requirements of any supervising or examining agency above referred to, then for the purpose of this
subsection (e), the combined capital and surplus of such corporation or association shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If the Trustee at any time ceases to be eligible in accordance with the provisions of this subsection (e), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

SECTION 8.03. **Merger or Consolidation.** Any bank, national banking association, federal savings association, or trust company into which the Trustee may be merged or converted or with which it may be consolidated or any bank, national banking association, federal savings association, or trust company resulting from any merger, conversion or consolidation to which it shall be a party or any bank, national banking association, federal savings association, or trust company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such bank, national banking association, federal savings association, or trust company shall be eligible under subsection (e) of Section 8.02 shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

SECTION 8.04. **Liability of Trustee.**

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Authority, and the Trustee shall not assume responsibility for the correctness of the same, or make any representations as to the validity or sufficiency of this Indenture, the Bonds or the Lease (including any right to receive moneys thereunder or the value of or title to the premises upon which the Leased Property is located), nor shall the Trustee incur any responsibility in respect thereof, other than as expressly stated herein in connection with the respective duties or obligations of Trustee herein or in the Bonds assigned to or imposed upon it. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence. The Trustee may become the Owner of Bonds with the same rights it would have if it were not Trustee, and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee is not liable for any error of judgment made by a responsible officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(c) The Trustee is not liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture or assigned to it under the Assignment Agreement.

(d) The Trustee is not liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.
(e) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder, or any other event which, with the passage of time, the giving of notice, or both, would constitute an Event of Default hereunder unless and until it shall have actual knowledge thereof, or a corporate trust officer shall have received written notice thereof at its Office from the City, the Authority or the Owners of at least 25% in aggregate principal amount of the Outstanding Bonds. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by the Authority or the City of any of the terms, conditions, covenants or agreements herein, under the Lease or the Bonds or of any of the documents executed in connection with the Bonds, or as to the existence of a default or an Event of Default or an event which would, with the giving of notice, the passage of time, or both, constitute an Event of Default. The Trustee is not responsible for the validity, effectiveness or priority of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee shall not be required to ascertain or inquire as to the performance or observance by the City or the Authority of the terms, conditions, covenants or agreements set forth in the Lease, other than the covenants of the City to make Lease Payments to the Trustee when due and to file with the Trustee when due, such reports and certifications as the City is required to file with the Trustee hereunder.

(f) No provision of this Indenture requires the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, receivers or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent, receiver or attorney appointed with due care by it hereunder.

(h) The Trustee has no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of the Bond Owners under this Indenture, unless such Owners have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities (including but not limited to fees and expenses of its attorneys) which might be incurred by it in compliance with such request or direction. No permissive power, right or remedy conferred upon the Trustee hereunder shall be construed to impose a duty to exercise such power, right or remedy.

(i) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to the provisions of Section 8.02(a), this Section 8.04 and Section 8.05, and shall be applicable to the assignment of any rights under the Lease to the Trustee under the Assignment Agreement.

(j) The Trustee is not accountable to anyone for the subsequent use or application of any moneys which are released or withdrawn in accordance with the provisions hereof.

(k) The Trustee makes no representation or warranty, expressed or implied as to the title, value, design, compliance with specifications or legal requirements, quality, durability, operation, condition, merchantability or fitness for any particular purpose for the use contemplated by the Authority or the City of the Leased Property. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in
connection with or arising from the Lease or this Indenture for the existence, furnishing or use of the Leased Property.

(l) The Trustee has no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(m) The Trustee is authorized and directed to execute the Assignment Agreement in its capacity as Trustee hereunder.

(n) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail (provided, that for purposes of this Agreement, an e-mail does not constitute a notice, request or other communication hereunder but rather the portable document format or similar attachment attached to such e-mail shall constitute a notice, request or other communication hereunder), facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Authority or the City elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Authority and the City agree to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(o) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term “force majeure” means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include, but not be limited to, acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

SECTION 8.05. Right to Rely on Documents. The Trustee shall be protected and shall incur no liability in acting or refraining from acting in reliance upon any notice, resolution, request, consent, order, certificate, report, opinion, bonds or other paper or document believed by them to be genuine and to have been signed or presented by the proper party or parties. The Trustee is under no duty to make any investigation or inquiry as to any statements contained or matter referred to in any paper or document but may accept and conclusively rely upon the same as conclusive evidence of the truth and accuracy of any such statement or matter and shall be fully protected in relying thereon. The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.
The Trustee may treat the Owners of the Bonds appearing in the Registration Books as the absolute owners of the Bonds for all purposes and the Trustee shall not be affected by any notice to the contrary.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee deems it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate, Written Request or Written Requisition of the Authority or the City, and such Written Certificate, Written Request or Written Requisition shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, Written Request or Written Requisition, and the Trustee shall be fully protected in relying thereon, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.

SECTION 8.06. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its respective possession and in accordance with its retention policy then in effect and shall, upon reasonable notice to Trustee, be subject to the inspection of the Authority, the City and any Bond Owner, and their agents and representatives duly authorized in writing, during business hours and under reasonable conditions as agreed to by the Trustee.

SECTION 8.07. Compensation and Indemnification. The Authority shall pay to the Trustee from time to time, on demand, the compensation for all services rendered under this Indenture and also all reasonable expenses, advances (including any interest on advances), charges, legal (including outside counsel and the allocated costs of internal attorneys) and consulting fees and other disbursements, incurred in and about the performance of its powers and duties under this Indenture.

The Authority shall indemnify the Trustee, its officers, directors, employees and agents against any cost, loss, liability or expense whatsoever (including but not limited to fees and expenses of its attorneys) incurred without negligence or willful misconduct on its part, arising out of or in connection with the acceptance or administration of this trust and this Indenture, including costs and expenses of defending itself against any claim or liability in connection with the exercise or performance of any of its powers hereunder or under the Assignment Agreement or the Lease. As security for the performance of the obligations of the Authority under this Section 8.07 and the obligation of the Authority to make Additional Rental Payments to the Trustee, the Trustee shall have a lien prior to the lien of the Bonds upon all property and funds held or collected by the Trustee as such. The rights of the Trustee and the obligations of the Authority under this Section 8.07 shall survive the resignation or removal of the Trustee or the discharge of the Bonds and this Indenture and the Lease.
ARTICLE IX

MODIFICATION OR AMENDMENT HEREOF

SECTION 9.01. Amendments Permitted.

(a) Amendments With Bond Owner Consent. This Indenture and the rights and obligations of the Authority and of the Owners of the Bonds and of the Trustee may be modified or amended from time to time and at any time by Supplemental Indenture, which the Authority and the Trustee may enter into when the written consents of the Owners of a majority in aggregate principal amount of all Bonds then Outstanding are filed with the Trustee. No such modification or amendment may (i) extend the fixed maturity of any Bonds, or reduce the amount of principal thereof or extend the time of payment, or change the method of computing the rate of interest thereon, or extend the time of payment of interest thereon, without the consent of the Owner of each Bond so affected, or (ii) reduce the aforesaid percentage of Bonds the consent of the Owners of which is required to effect any such modification or amendment, or permit the creation of any lien on the Revenues and other assets pledged under this Indenture prior to or on a parity with the lien created by this Indenture except as permitted herein, or deprive the Owners of the Bonds of the lien created by this Indenture on such Revenues and other assets (except as expressly provided in this Indenture), without the consent of the Owners of all of the Bonds then Outstanding. It is not necessary for the consent of the Bond Owners to approve the particular form of any Supplemental Indenture, but it is sufficient if such consent approves the substance thereof.

(b) Amendments Without Owner Consent. This Indenture and the rights and obligations of the Authority, of the Trustee and the Owners of the Bonds may also be modified or amended from time to time and at any time by a Supplemental Indenture, which the Authority and the Trustee may enter into without the consent of any Bond Owners, if the Trustee has been furnished an opinion of counsel that the provisions of such Supplemental Indenture shall not materially adversely affect the interests of the Bond Owners, including, without limitation, for any one or more of the following purposes:

(i) to add to the covenants and agreements of the Authority in this Indenture contained, other covenants and agreements thereafter to be observed, to pledge or assign additional security for the Bonds (or any portion thereof), or to surrender any right or power herein reserved to or conferred upon the Authority;

(ii) to cure any ambiguity, inconsistency or omission, or to cure or correct any defective provision, contained in this Indenture, or in regard to matters or questions arising under this Indenture, as the Authority deems necessary or desirable, provided that such modification or amendment does not materially adversely affect the interests of the Bond Owners, in the opinion of Bond Counsel filed with the Trustee;

(iii) to modify, amend or supplement this Indenture in such manner as to permit the qualification hereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute hereafter in effect, and to
add such other terms, conditions and provisions as may be permitted by said act or similar federal statute;

(iv) to modify, amend or supplement this Indenture in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code; or

(v) to facilitate the issuance of additional obligations for which additional amounts of rental are pledged or assigned under the Lease Agreement as provided in Section 7.5(b)(v) thereof.

(c) Limitation. The Trustee is not obligated to enter into any Supplemental Indenture authorized by subsections (a) or (b) of this Section 9.01 which materially adversely affects the Trustee’s own rights, duties or immunities under this Indenture or otherwise.

(d) Bond Counsel Opinion Requirement. Prior to the Trustee entering into any Supplemental Indenture hereunder, the Authority shall deliver to the Trustee an opinion of Bond Counsel stating, in substance, that such Supplemental Indenture has been adopted in compliance with the requirements of this Indenture and that the adoption of such Supplemental Indenture will not, in and of itself, adversely affect the exclusion from gross income for purposes of federal income taxes of interest on the Bonds.

(e) Notice of Amendments. The Authority shall deliver or cause to be delivered a draft of any Supplemental Indenture to each rating agency which then maintains a rating on the Bonds, at least 10 days prior to the effective date of such Supplemental Indenture under this Section 9.01.

SECTION 9.02. Effect of Supplemental Indenture. Upon the execution of any Supplemental Indenture under this Article IX, this Indenture shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the Authority, the Trustee and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

SECTION 9.03. Endorsement of Bonds; Preparation of New Bonds. Bonds delivered after the execution of any Supplemental Indenture under this Article may, and if the Authority so determines shall, bear a notation by endorsement or otherwise in form approved by the Authority as to any modification or amendment provided for in such Supplemental Indenture, and, in that case, upon demand on the Owner of any Bonds Outstanding at the time of such execution and presentation of his Bonds for the purpose at the Office of the Trustee or at such additional offices as the Trustee may select and designate for that purpose, a suitable notation shall be made on such Bonds. If the Supplemental Indenture shall so provide, new Bonds so modified as to conform, in the opinion of the Authority, to any modification or amendment contained in such Supplemental Indenture, shall be prepared and executed by the Authority and authenticated by the Trustee, and upon demand on the Owners of any Bonds then Outstanding shall be exchanged at the Office of the Trustee, without cost to any Bond
Owner, for Bonds then Outstanding, upon surrender for cancellation of such Bonds, in equal aggregate principal amount of the same maturity.

SECTION 9.04. Amendment of Particular Bonds. The provisions of this Article IX do not prevent any Bond Owner from accepting any amendment as to the particular Bonds held by such Owner.

ARTICLE X

DEFEASANCE

SECTION 10.01. Discharge of Indenture. Any or all of the Outstanding Bonds may be paid by the Authority in any of the following ways, provided that the Authority also pays or causes to be paid any other sums payable hereunder by the Authority:

(a) by paying or causing to be paid the principal of and interest and premium (if any) on such Bonds, as and when the same become due and payable;

(b) by depositing with the Trustee, in trust, at or before maturity, money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem such Bonds; or

(c) by delivering all of such Bonds to the Trustee for cancellation.

If the Authority also pays or causes to be paid all other sums payable hereunder by the Authority, then and in that case, at the election of the Authority (evidenced by a Written Certificate of the Authority, filed with the Trustee, signifying the intention of the Authority to discharge all such indebtedness and this Indenture), and notwithstanding that any of such Bonds shall not have been surrendered for payment, this Indenture and the pledge of Revenues and other assets made under this Indenture with respect to such Bonds and all covenants, agreements and other obligations of the Authority under this Indenture with respect to such Bonds shall cease, terminate, become void and be completely discharged and satisfied, subject to Section 10.02. In such event, upon the Written Request of the Authority, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over, transfer, assign or deliver to the City all moneys or securities or other property held by it under this Indenture which are not required for the payment or redemption of any of such Bonds not theretofore surrendered for such payment or redemption. The Trustee is entitled to conclusively rely on any such Written Certificate or Written Request and, in each case, is fully protected in relying thereon.

SECTION 10.02. Discharge of Liability on Bonds. Upon the deposit with the Trustee, in trust, at or before maturity, of money or securities in the necessary amount (as provided in Section 10.03) to pay or redeem any Outstanding Bonds (whether upon or prior to the maturity or the redemption date of such Bonds), provided that, if such Bonds are to be redeemed prior to maturity, notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee shall have been made for the
giving of such notice, then all liability of the Authority in respect of such Bonds shall cease, terminate and be completely discharged, and the Owners thereof shall thereafter be entitled only to payment out of such money or securities deposited with the Trustee as aforesaid for their payment, subject, however, to the provisions of Section 10.04.

The Authority may at any time surrender to the Trustee, for cancellation by the Trustee, any Bonds previously issued and delivered, which the Authority may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, shall be deemed to be paid and retired.

SECTION 10.03. Deposit of Money or Securities with Trustee. Whenever in this Indenture it is provided or permitted that there be deposited with or held in trust by the Trustee money or securities in the necessary amount to pay or redeem any Bonds, the money or securities so to be deposited or held may include money or securities held by the Trustee in the funds and accounts established under this Indenture and shall be:

(a) lawful money of the United States of America in an amount equal to the principal amount of such Bonds and all unpaid interest thereon to maturity, except that, in the case of Bonds which are to be redeemed prior to maturity and in respect of which notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee shall have been made for the giving of such notice, the amount to be deposited or held shall be the principal amount of such Bonds, premium, if any, and all unpaid interest thereon to the redemption date; or

(b) non-callable Federal Securities, the principal of and interest on which when due will, in the written opinion of an Independent Accountant filed with the City, the Authority and the Trustee, provide money sufficient to pay the principal of and interest and premium (if any) on the Bonds to be paid or redeemed, as such principal, interest and premium become due, provided that in the case of Bonds which are to be redeemed prior to the maturity thereof, notice of such redemption shall have been given as provided in Article IV or provision satisfactory to the Trustee has been made for the giving of such notice;

provided, in each case, that (i) the Trustee shall have been irrevocably instructed (by the terms of this Indenture or by Written Request of the Authority) to apply such money to the payment of such principal, interest and premium (if any) with respect to such Bonds, and (ii) the Authority shall have delivered to the Trustee an opinion of Bond Counsel to the effect that such Bonds have been discharged in accordance with this Indenture (which opinion may rely upon and assume the accuracy of the Independent Accountant’s opinion referred to above). The Trustee shall be entitled to conclusively rely on such Written Request or opinion and shall be fully protected, in each case, in relying thereon.

SECTION 10.04. Unclaimed Funds. Notwithstanding any provisions of this Indenture, any moneys held by the Trustee in trust for the payment of the principal of, or interest on, any Bonds and remaining unclaimed for 2 years after the principal of all of the Bonds has become due and payable (whether at maturity or upon call for redemption or by acceleration as provided in this Indenture), if such moneys were so held at such date,
or 2 years after the date of deposit of such moneys if deposited after said date when all of
the Bonds became due and payable, shall be repaid to the Authority free from the trusts
created by this Indenture, and all liability of the Trustee with respect to such moneys shall
thereupon cease; provided, however, that before the repayment of such moneys to the
Authority as aforesaid, the Trustee shall (at the cost of the Authority) first mail to the
Owners of Bonds which have not yet been paid, at the addresses shown on the
Registration Books, a notice, in such form as may be deemed appropriate by the Trustee
with respect to the Bonds so payable and not presented and with respect to the provisions
relating to the repayment to the Authority of the moneys held for the payment thereof.

**ARTICLE XI**

**MISCELLANEOUS**

**SECTION 11.01. Liability of Authority Limited to Revenues.** Notwithstanding
anything in this Indenture or in the Bonds contained, the Authority is not required to
advance any moneys derived from any source other than the Revenues, the Additional
Rental Payments and other assets pledged under this Indenture for any of the purposes
in this Indenture mentioned, whether for the payment of the principal or interest on the
Bonds or for any other purpose of this Indenture. Nevertheless, the Authority may, but is
not required to, advance for any of the purposes hereof any funds of the Authority which
may be made available to it for such purposes.

**SECTION 11.02. Limitation of Rights to Parties and Bond Owners.** Nothing in this
Indenture or in the Bonds expressed or implied is intended or shall be construed to give
to any person other than the Authority, the Trustee, the City and the Owners of the Bonds,
any legal or equitable right, remedy or claim under or in respect of this Indenture or any
covenant, condition or provision therein or herein contained; and all such covenants,
conditions and provisions are and shall be held to be for the sole and exclusive benefit of
the Authority, the Trustee, the City and the Owners of the Bonds.

**SECTION 11.03. Funds and Accounts.** Any fund or account required by this
Indenture to be established and maintained by the Trustee may be established and
maintained in the accounting records of the Trustee, either as a fund or an account, and
may, for the purposes of such records, any audits thereof and any reports or statements
with respect thereto, be treated either as a fund or as an account; but all such records with
respect to all such funds and accounts shall at all times be maintained in accordance with

Principal hereof and premium, if any, upon early redemption hereof are payable upon presentation and surrender hereof at the corporate trust office of MUFG Union Bank, N.A., in San Francisco, California (the “Trust Office”), as trustee (the “Trustee”). Interest hereon is payable by check of the Trustee mailed to the Registered Owner hereof at the Registered Owner’s address as it appears on the registration books of the Trustee as of

The Bonds are subject to redemption as a whole, or in part by lot, on any date, to the extent of any net proceeds of hazard or title insurance with respect to the property which has been leased under the Lease (the "Leased Property") or any portion thereof which are not used to repair or replace the Leased Property pursuant to the Lease, or to the extent of any net proceeds arising from the disposition of the Leased Property or any portion thereof in eminent domain proceedings which the City elects to be used for such purpose pursuant to the Lease, at a redemption price equal to the principal amount thereof plus interest accrued thereon to the date fixed for redemption, without premium.

As provided in the Indenture, notice of redemption will be mailed by the Trustee by first class mail not less than 20 nor more than 60 days prior to the redemption date to the respective owners of any Bonds designated for redemption at their addresses appearing on the registration books of the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption or the cessation of accrual of interest thereon from and after the date fixed for redemption. If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Trust Office, but only in the manner, subject to the limitations and upon payment of the charges provided in the Indenture, and upon surrender and cancellation of this Bond. This Bond may be exchanged at the Trust Office for Bonds of the same tenor, aggregate principal amount, interest rate and maturity, of other authorized denominations.

LEASE AGREEMENT

This LEASE AGREEMENT (this “Lease”), dated for convenience as of _____ 1, 2019, is between the SAN BRUNO PUBLIC FINANCING AUTHORITY, a joint powers authority duly organized and existing under the laws of the State of California, as lessor (the “Authority”), and the CITY OF SAN BRUNO, a municipal corporation and general law city duly organized and existing under the Constitution and laws of the State of California, as lessee (the “City”).

BACKGROUND:

1. The City has previously caused the execution and delivery of the City of San Bruno Certificates of Participation, Series 2000 (Police Facility Financing) in the aggregate initial principal amount of $9,600,000 in 2000 (the “Prior Obligations”) for the purpose of financing certain obligations of the City.

2. In connection with the Prior Obligations, the City, as sub-lessee and the Authority, as sub-lessor, entered into a Lease Agreement dated as of December 1, 2000 whereby the City is obligated to pay lease payments (the “Prior Lease Payments”) for the use and occupancy of the leased property described therein, and thereby financing the construction of the City’s police facility.

3. The City has determined that, based on current interest rates, cost savings can be achieved by refinancing the Prior Lease Payments and in turn causing the Prior Obligations to be refunded.

4. To that end, the City is leasing certain real property and improvements thereon owned by the City, consisting of the Police Station, as described in Appendix A attached hereto (the “Leased Property”), to the Authority under a Site Lease dated as of _____ 1, 2019, and recorded concurrently herewith (the “Site Lease”), in consideration of the payment by the Authority of an upfront rental payment (the “Site Lease Payment”), the proceeds of which will be used by the City to prepay the Prior Lease Payments.

5. The Authority has authorized the issuance of its San Bruno Public Financing Authority Lease Revenue Bonds, Series 2019 in the aggregate principal amount of $___________ (the “Bonds”) under an Indenture of Trust dated as of _____ 1, 2019 (the “Indenture”) by and between the Authority and MUFG Union Bank, N.A., as trustee (the “Trustee”), for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with the Site Lease.

6. In order to provide revenues to enable the Authority to pay debt service on the Bonds, the Authority is leasing the Leased Property back to the City under this Lease, under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property hereunder.

7. The lease payments made by the City under this Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement, dated as of _____ 1, 2019, between the Authority as assignor and the Trustee as assignee, and recorded concurrently herewith.
8. The City and the Authority have found and determined that all acts and proceedings required by law necessary to make this Lease, when executed by the City and the Authority, the valid, binding and legal obligations of the City and the Authority, and to constitute this Lease a valid and binding agreement for the uses and purposes herein set forth in accordance with its terms, have been done and taken, and the execution and delivery of this Lease have been in all respects duly authorized.

AGREEMENT:

In consideration of the material covenants contained in this Lease, the parties hereto hereby formally covenant, agree and bind themselves as follows:

COVENANTS, REPRESENTATIONS AND WARRANTIES

SECTION 2.1. Covenants, Representations and Warranties of the City. The City makes the following covenants, representations and warranties to the Authority and the Trustee as of the date of the execution and delivery of this Lease:

(a) Due Organization and Existence. The City is a municipal corporation and general law city duly organized and validly existing under the Constitution and laws of the State of California, has full legal right, power and authority under the laws of the State of California to enter into the Site Lease and this Lease and to carry out and consummate all transactions contemplated hereby, and by proper action the City has duly authorized the execution and delivery of the Site Lease and this Lease.

(b) Due Execution. The representatives of the City executing the Site Lease and this Lease have been fully authorized to execute the same under a resolution duly adopted by the City Council of the City.

(c) Valid, Binding and Enforceable Obligations. The Site Lease and this Lease have been duly authorized, executed and delivered by the City and constitute the legal, valid and binding obligations of the City enforceable against the City in accordance with their respective terms.

(d) No Conflicts. The execution and delivery of the Site Lease and this Lease, the consummation of the transactions therein and herein contemplated and the fulfillment of or compliance with the terms and conditions thereof and hereof, do not and will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, lease, contract or other agreement or instrument to which the City is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the City, which conflict, violation, breach, default, lien, charge or encumbrance would have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Site Lease and this Lease or the financial condition, assets, properties or operations of the City.

(e) Consents and Approvals. No consent or approval of any trustee or holder of any indebtedness of the City or of the voters of the City, and no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority is necessary in connection with the execution and delivery of the Site Lease and this Lease, or the consummation of any transaction therein and herein contemplated, except as have been obtained or made and as are in full force and effect.

(f) No Litigation. There is no action, suit, proceeding, inquiry or investigation before or by any court or federal, state, municipal or other governmental
authority pending or, to the knowledge of the City after reasonable investigation, threatened against or affecting the City or the assets, properties or operations of the City which, if determined adversely to the City or its interests, would have a material and adverse effect upon the consummation of the transactions contemplated by or the validity of the Site Lease and this Lease, or upon the financial condition, assets, properties or operations of the City, and the City is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by the Site Lease and this Lease or the financial conditions, assets, properties or operations of the City.

SECTION 2.2. Covenants, Representations and Warranties of the Authority. The Authority makes the following covenants, representations and warranties to the City and the Trustee as of the date of the execution and delivery of this Lease:

(a) **Due Organization and Existence.** The Authority is a joint exercise of powers duly organized and existing under a joint powers agreement and the laws of the State of California; has power to enter into this Lease, the Site Lease, the Assignment Agreement and the Indenture; is possessed of full power to own and hold, improve and equip real and personal property, and to lease the same; and has duly authorized the execution and delivery of each of the aforesaid agreements and such agreements constitute the legal, valid and binding obligations of the Authority, enforceable against the Authority in accordance with their respective terms.

(b) **Due Execution.** The representatives of the Authority executing this Lease, the Site Lease, the Assignment Agreement and the Indenture are fully authorized to execute the same pursuant to official action taken by the governing body of the Authority.

(c) **Valid, Binding and Enforceable Obligations.** This Lease, the Site Lease, the Assignment Agreement and the Indenture have been duly authorized, executed and delivered by the Authority and constitute the legal, valid and binding agreements of the Authority, enforceable against the Authority in accordance with their respective terms.

(d) **No Conflicts.** The execution and delivery of this Lease, the Site Lease, the Assignment Agreement and the Indenture, the consummation of the transactions herein and therein contemplated and the fulfillment of or compliance with the terms and conditions hereof, do not and will not conflict with or constitute a violation or breach of or default (with due notice or the passage of time or both) under any applicable law or administrative rule or regulation, or any applicable court or administrative decree or order, or any indenture, mortgage, deed of trust, lease, contract or other agreement or instrument to which the Authority is a party or by which it or its properties are otherwise subject or bound, or result in the creation or imposition of any prohibited lien, charge or encumbrance of any nature whatsoever upon any of the property or assets of the Authority, which conflict, violation, breach, default, lien, charge or encumbrance would have consequences that would
materially and adversely affect the consummation of the transactions contemplated by this Lease, the Site Lease, the Assignment Agreement and the Indenture or the financial condition, assets, properties or operations of the Authority.

(e) **Consents and Approvals.** No consent or approval of any trustee or holder of any indebtedness of the Authority, and no consent, permission, authorization, order or license of, or filing or registration with, any governmental authority is necessary in connection with the execution and delivery of this Lease, the Site Lease, the Assignment Agreement or the Indenture, or the consummation of any transaction herein or therein contemplated, except as have been obtained or made and as are in full force and effect.

(f) **No Litigation.** There is no action, suit, proceeding, inquiry or investigation before or by any court or federal, state, municipal or other governmental authority pending or, to the knowledge of the Authority after reasonable investigation, threatened against or affecting the Authority or the assets, properties or operations of the Authority which, if determined adversely to the Authority or its interests, would have a material and adverse effect upon the consummation of the transactions contemplated by or the validity of this Lease, the Site Lease, the Assignment Agreement or the Indenture, or upon the financial condition, assets, properties or operations of the Authority, and the Authority is not in default with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by this Lease, the Site Lease, the Assignment Agreement or the Indenture or the financial conditions, assets, properties or operations of the Authority.

**ARTICLE III**

**DEPOSIT AND APPLICATION OF FUNDS; SUBSTITUTION AND RELEASE OF PROPERTY**

**SECTION 3.1. Deposit of Moneys.** On the Closing Date, the Authority will cause the proceeds of sale of the Bonds to be deposited with the Trustee. The Trustee shall deposit such proceeds in accordance with Section 3.02 of the Indenture.

**SECTION 3.2. Substitution of Property.** The City has the option at any time and from time to time, to substitute other real property (the "Substitute Property") for the Leased Property or any portion thereof (the "Former Property"), upon satisfaction of all of the following requirements which are hereby declared to be conditions precedent to such substitution:

(a) No Event of Default has occurred and is continuing.

(b) The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the San Mateo County Recorder sufficient memorialization of, an amendment hereof which adds the legal description
of the Substitute Property to Appendix A and deletes therefrom the legal description of the Former Property.

(c) The City has obtained a CLTA or an ALTA policy of title insurance insuring the City's leasehold estate hereunder in the Substitute Property, subject only to Permitted Encumbrances.

(d) The City has certified in writing to the Authority and the Trustee that the Substitute Property constitutes property which the City is permitted to lease under the laws of the State of California, and has been determined to be necessary to the operation of the City.

(e) The Substitute Property does not cause the City to violate any of its covenants, representations and warranties made herein.

(g) The City has filed with the Authority and the Trustee a written certificate of the City or other written evidencing stating that the useful life of the Substitute Property at least extends to the final maturity of the Bonds, that the estimated value of the Leased Property, after substitution of the Substitute Property and release of the Former Property, is at least equal to the aggregate Outstanding principal amount of the Bonds, and the fair rental value of the Leased Property, after substitution of the Substitute Property and release of the Former Property, is at least equal to the Lease Payments thereafter coming due and payable hereunder.

(h) The City has mailed written notice of such substitution to each rating agency which then maintains a rating on the Bonds.

(i) The City shall furnish to the Authority and the Trustee a written opinion of Bond Counsel stating that such substitution does not cause the interest on the Bonds to become included in gross income for purposes of federal income taxation or to become subject to personal income taxation by the State of California.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Former Property and commence as to the Substitute Property, and all references to the Former Property will apply with full force and effect to the Substitute Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of any substitution of property under this Section. The Authority and the City will execute, deliver and cause to be recorded all documents required to discharge the Site Lease, this Lease and the Assignment Agreement of record against the Former Property and to cause the Substitute Property to become subject to all of the terms and conditions of the Site Lease, this Lease and the Assignment Agreement.

SECTION 3.3. Release of Property. The City has the option at any time and from time to time to release any portion of the Leased Property from this Lease (the “Released Property”) provided that the City has satisfied all of the following requirements which are hereby declared to be conditions precedent to such release:

(a) No Event of Default has occurred and is continuing.
(b) The City has filed with the Authority and the Trustee, and caused to be recorded in the office of the San Mateo County Recorder sufficient memorialization of, an amendment hereof which removes the Released Property from the Site Lease and this Lease.

(c) The City has certified in writing to the Authority and the Trustee that the value of the Leased Property which remains subject to this Lease following such release is at least equal to the aggregate Outstanding principal amount of the Bonds, and the fair rental value of the Leased Property which remains subject to this Lease following such release is at least equal to the Lease Payments thereafter coming due and payable hereunder.

(d) The City has mailed written notice of such release to each rating agency which then maintains a rating on the Bonds.

Upon the satisfaction of all such conditions precedent, the Term of this Lease will thereupon end as to the Released Property. The City is not entitled to any reduction, diminution, extension or other modification of the Lease Payments whatsoever as a result of such release. The Authority and the City shall execute, deliver and cause to be recorded all documents required to discharge the Site Lease, this Lease and the Assignment Agreement of record against the Released Property.

ARTICLE IV

LEASE OF LEASED PROPERTY; TERM OF THIS LEASE; LEASE PAYMENTS

SECTION 4.1. Lease of Leased Property. The Authority hereby leases the Leased Property to the City and the City hereby leases the Leased Property from the Authority, upon the terms and conditions set forth in this Lease. The City shall be entitled to, and shall, take possession of the Leased Property on the date of execution, delivery and recordation hereof. This Lease is subject and subordinate to the Ground Lease dated as of February 29, 2000 (the "Ground Lease") between San Francisco Bay Area Rapid Transit District, as lessor, and the City, as lessee.

SECTION 4.2. Term. The Term of this Lease commences on the Closing Date and ends on the date on which the Indenture is discharged in accordance with Section 10.03 thereof, but under any circumstances not later than March 1, 20__. The provisions of this Section are subject to the provisions of Section 6.2 relating to the taking in eminent domain of the Leased Property in whole or in part.

SECTION 4.3. Lease Payments.

(a) Obligation to Pay. Subject to the provisions of Sections 6.2 and 6.3 and the provisions of Article IX, the City agrees to pay to the Authority, its successors and assigns, the Lease Payments in the respective amounts specified in Appendix B attached to this Lease, to be due and payable in immediately available funds on the Interest Payment Dates immediately following each of the respective Lease Payment Dates specified in Appendix B, and to be deposited by the City with the Trustee on each of the Lease Payment Dates specified in Appendix B. Any amount held in the Bond Fund, the Interest Account and the Principal Account on any Lease Payment Date (other than amounts resulting from the prepurchase of the Lease Payments
in part but not in whole under Article IX, and amounts required for payment of past due principal or interest on any Bonds not presented for payment) will be credited towards the Lease Payment then required to be paid hereunder. The City is not required to deposit any Lease Payment with the Trustee on any Lease Payment Date if the amounts then held in the Bond Fund, the Interest Account and the Principal Account are at least equal to the Lease Payment then required to be deposited with the Trustee. The Lease Payments payable in any Rental Period are for the use of the Leased Property during that Rental Period.

(b) Effect of Prepayment. If the City prepays all Lease Payments in full under Sections 9.1, 9.2 or 9.3, the City’s obligations under this Section will thereupon cease and terminate. If the City prepays the Lease Payments in part but not in whole under Sections 9.1, 9.2 or 9.3, the principal components of the remaining Lease Payments will be reduced in integral multiples of $5,000 among Lease Payment Dates on a basis which corresponds to the principal maturities of the Bonds which are redeemed thereby; and the interest component of each remaining Lease Payment will be reduced by the aggregate corresponding amount of interest which would otherwise be payable with respect to the Bonds thereby redeemed under Section 4.01 of the Indenture.

(c) Rate on Overdue Payments. If the City fails to make any of the payments required in this Section, the payment in default will continue as an obligation of the City until the amount in default has been fully paid, and the City agrees to pay the same with interest thereon, from the date of default to the date of payment at the highest rate of interest on any Outstanding Bond.

(d) Fair Rental Value. The aggregate amount of the Lease Payments and Additional Rental Payments coming due and payable during each Rental Period constitute the total rental for the Leased Property for such Rental Period, and are payable by the City in each Rental Period for and in consideration of the right of the use and occupancy of, and the continued quiet use and enjoyment of the Leased Property during each Rental Period. The parties hereto have agreed and determined that the total Lease Payments represent the fair rental value of the Leased Property. In making that determination, consideration has been given to the estimated value of the Leased Property based on comparable properties, insurance appraisals and other records maintained by the City, other obligations of the City and the Authority under this Lease, the uses and purposes which may be served by the Leased Property and the benefits therefrom which will accrue to the City and the general public.

(e) Assignment. The City understands and agrees that all Lease Payments have been assigned by the Authority to the Trustee in trust, under the Assignment Agreement, for the benefit of the Owners of the Bonds, and the City hereby assents to such assignment. The Authority hereby directs the City, and the City hereby agrees to pay to the Trustee at its Office, all payments payable by the City under this Section and all amounts payable by the City under Article IX.

SECTION 4.4. Source of Payments; Covenant to Budget and Appropriate. The Lease Payments are payable from any source of available funds of the City, subject to the provisions of Sections 6.2 and 6.3. The City covenants to take all actions required to include the Lease Payments in each of its annual budgets during the Term of this Lease and to make the necessary appropriations for all Lease Payments and Additional Rental Payments. The foregoing covenant of the City constitutes a duty imposed by law and each and every public official of the City is required to take all actions required by law in the performance of the official duty of such officials to enable the City to carry out and perform the covenants and agreements in this Lease agreed to be carried out and performed by the City.
SECTION 4.5. Additional Rental Payments. In addition to the Lease Payments, the City shall pay when due the following amounts of Additional Rental Payments in consideration of the lease of the Leased Property by the City from the Authority hereunder:

(a) all fees and expenses incurred by the Authority in connection with or by reason of its leasehold estate in the Leased Property, when due,

(b) all reasonable compensation to the Trustee for all services rendered under the Indenture and for all reasonable expenses, charges, costs, liabilities, legal fees and other disbursements incurred in and about the performance of its powers and duties under the Indenture,

(c) the reasonable fees and expenses of such accountants, consultants, attorneys and other experts as may be engaged by the Authority or the Trustee to prepare audits, financial statements, reports, opinions or provide such other services required under this Lease or the Indenture,

(d) amounts coming due and payable as Excess Investment Earnings in accordance with Section 7.6(e), and

(e) the reasonable out-of-pocket expenses of the Authority in connection with the execution and delivery of this Lease or the Indenture, or in connection with the issuance of the Bonds, including but not limited to any and all expenses incurred in connection with the authorization, sale and delivery of the Bonds, or incurred by the Authority in connection with any litigation which may at any time be instituted involving this Lease, the Bonds, the Indenture or any of the other documents contemplated hereby or thereby, or otherwise incurred in connection with the administration of this Lease.

SECTION 4.6. Quiet Enjoyment. Throughout the Term of this Lease, the Authority shall provide the City with quiet use and enjoyment of the Leased Property and the City will peaceably and quietly have and hold and enjoy the Leased Property, without suit, trouble or hindrance from the Authority, except as expressly set forth in this Lease. The Authority will, at the request of the City and at the City’s cost, join in any legal action in which the City asserts its right to such possession and enjoyment to the extent the Authority may lawfully do so. Notwithstanding the foregoing, the Authority has the right to inspect the Leased Property as provided in Section 7.2.

SECTION 4.7. Title. Upon the termination of this Lease (other than under Section 8.2(b) hereof), all right, title and interest of the Authority in and to the Leased Property transfers to and vests in the City. The Authority shall take any and all steps and execute and record any and all documents reasonably required by the City to consummate any such transfer of title.
ARTICLE V

MAINTENANCE; TAXES; INSURANCE; AND OTHER MATTERS

SECTION 5.1. Maintenance, Utilities, Taxes and Assessments. Throughout the Term of this Lease, as part of the consideration for the rental of the Leased Property, all improvement, repair and maintenance of the Leased Property are the responsibility of the City, and the City will pay for or otherwise arrange for the payment of all utility services supplied to the Leased Property, which may include, without limitation, janitor service, security, power, gas, telephone, light, heating, water and all other utility services, and will pay for or otherwise arrange for the payment of the cost of the repair and replacement of the Leased Property resulting from ordinary wear and tear or want of care on the part of the City or any assignee or sublessee thereof. In exchange for the Lease Payments herein provided, the Authority agrees to provide only the Leased Property. The City waives the benefits of subsections 1 and 2 of Section 1932, Section 1933(4) and Sections 1941 and 1942 of the California Civil Code, but such waiver does not limit any of the rights of the City under the terms of this Lease.

The City shall also pay or cause to be paid all taxes and assessments of any type or nature, if any, charged to the Authority or the City affecting the Leased Property or the respective interests or estates therein; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the City shall pay only such installments as are required to be paid during the Term of this Lease as and when the same become due.

The City may, at its expense and in its name, in good faith contest any such taxes, assessments, utility and other charges and, in the event of any such contest, may permit the taxes, assessments or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless the Authority notifies the City that, in its reasonable opinion, by nonpayment of any such items the interest of the Authority in the Leased Property will be materially endangered or the Leased Property or any part thereof will be subject to loss or forfeiture, in which event the City shall promptly pay such taxes, assessments or charges or provide the Authority with full security against any loss which may result from nonpayment, in form satisfactory to the Authority and the Trustee.

SECTION 5.2. Modification of Leased Property. The City has the right, at its own expense, to make additions, modifications and improvements to the Leased Property or any portion thereof. All additions, modifications and improvements to the Leased Property will thereafter comprise part of the Leased Property and become subject to the provisions of this Lease. Such additions, modifications and improvements may not in any way damage the Leased Property, or cause the Leased Property to be used for purposes other than those authorized under the provisions of state and federal law; and the Leased Property, upon completion of any additions, modifications and improvements made thereto under this Section, must be of a value which is not substantially less than the value thereof immediately prior to the making of such additions, modifications and improvements. The City will not permit any mechanic’s or other lien to be established or remain against the Leased Property for labor or materials furnished in connection with any remodeling, additions, modifications, improvements, repairs, renewals or replacements made by the City under this Section; except that if any such lien is established and the City first notifies or causes to be notified the Authority of the City’s intention to do so, the City may in good faith contest any lien filed or established against the Leased Property, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom and shall provide the Authority with full security against any loss or forfeiture.
which might arise from the nonpayment of any such item, in form satisfactory to the Authority. The Authority will cooperate fully in any such contest, upon the request and at the expense of the City.

**SECTION 5.3. Liability and Property Damage Insurance.** The City shall maintain or cause to be maintained throughout the Term of this Lease, but only if and to the extent available from reputable insurers at reasonable cost in the reasonable opinion of the City, a standard commercial general liability insurance policy or policies in protection of the Authority, the City, and their respective members, officers, agents, employees and assigns. Said policy or policies shall provide for indemnification of said parties against direct or contingent loss or liability for damages for bodily and personal injury, death or property damage occasioned by reason of the operation of the Leased Property. Such policy or policies shall provide coverage in such liability limits and be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of self-insurance by the City, subject to the provisions of Section 5.7, or in the form of the participation by the City in a joint powers agency or other program providing pooled insurance. The proceeds of such liability insurance must be applied toward extinguishment or satisfaction of the liability with respect to which paid.

**SECTION 5.4. Casualty Insurance.** The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, casualty insurance against loss or damage to all buildings situated on the Leased Property, in an amount at least equal to the lesser of (a) 100% of the replacement value of the insured buildings, or (b) 100% of the aggregate principal amount of the Outstanding Bonds. Such insurance must, as nearly as practicable, cover loss or damage by explosion, windstorm, riot, aircraft, vehicle damage, smoke and such other hazards as are normally covered by such insurance, and must include earthquake insurance if available at reasonable cost from reputable insurers in the judgment of the City. Such insurance may be subject to such deductibles as the City deems adequate and prudent. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance must be applied as provided in Section 6.1.

**SECTION 5.5. Rental Interruption Insurance.** The City shall procure and maintain, or cause to be procured and maintained, throughout the Term of this Lease, rental interruption or use and occupancy insurance to cover loss, total or partial, of the use of any portion of the Leased Property constituting buildings or other improvements as a result of any of the hazards covered in the insurance required by Section 5.4, in an amount at least equal to the maximum such Lease Payments coming due and payable during any consecutive two Fiscal Years during the term of the Lease. Such insurance may be maintained as part of or in conjunction with any other insurance coverage carried by the City, and may be maintained in whole or in part in the form of the participation by the City in a joint powers agency or other program providing pooled insurance; provided that such insurance may not be maintained by the City in the form of self-insurance. The Net Proceeds of such insurance, if any, must be paid to the Trustee and deposited in the Bond Fund, to be applied as a credit towards the payment of the Lease Payments allocable to the insured improvements as the same become due and payable.

**SECTION 5.6. Recordation Hereof; Title Insurance.** On or before the Closing Date the City shall, at its expense, (a) cause the Site Lease, the Assignment Agreement and this Lease, or a memorandum hereof or thereof in form and substance approved by Bond Counsel, to be recorded
in the office of the San Mateo County Recorder, and (b) obtain a CLTA or ALTA title insurance policy insuring the City’s leasehold estate hereunder in the Leased Property, subject only to Permitted Encumbrances, in an amount at least equal to the aggregate principal amount of the Bonds. All Net Proceeds received under any such title insurance policy must be deposited with the Trustee in the Bond Fund to be credited towards the prepayment of the remaining Lease Payments under Section 9.3.

SECTION 5.7. Insurance Net Proceeds; Form of Policies. Each policy of insurance maintained under Sections 5.4, 5.5 and 5.6 must name the Trustee as loss payee so as to provide that all proceeds thereunder are payable to the Trustee. The City shall pay or cause to be paid when due the premiums for all insurance policies required by this Lease. All such policies shall provide that the Trustee is given 30 days’ notice of each expiration, any intended cancellation thereof or reduction of the coverage provided thereby. The City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a certificate of the City stating that all policies of insurance required hereunder are then in full force and effect. The Trustee has no responsibility for the sufficiency, adequacy or amount of any insurance or self-insurance herein required and is fully protected in accepting payment on account of such insurance or any adjustment, compromise or settlement of any loss.

If any insurance maintained under Section 5.3 is provided in the form of self-insurance, the City must file with the Trustee annually, within 90 days following the close of each Fiscal Year, a statement of the risk manager of the City or an independent insurance adviser engaged by the City identifying the extent of such self-insurance and stating the determination that the City maintains sufficient reserves with respect thereto. If any such insurance is provided in the form of self-insurance by the City, the City has no obligation to make any payment with respect to any insured event except from those reserves.

SECTION 5.8. Installation of City’s Personal Property. The City may at any time and from time to time, in its sole discretion and at its own expense, install or permit to be installed other items of equipment or other personal property in or upon the Leased Property. All such items shall remain the sole property of the City, in which neither the Authority nor the Trustee has any interest, and may be modified or removed by the City at any time, provided that the City must repair all damage to the Leased Property resulting from the installation, modification or removal of any such items. Nothing in this Lease prevents the City from purchasing or leasing items to be installed under this Section under a lease or conditional sale agreement, or subject to a vendor’s lien or security agreement, as security for the unpaid portion of the purchase price thereof, so long as no such lien or security interest attaches to any part of the Leased Property.

SECTION 5.9. Liens. The City may not, directly or indirectly, create, incur, assume or suffer to exist any mortgage, pledge, lien, charge, encumbrance or claim on or with respect to the Leased Property, other than as herein contemplated and except for such encumbrances as the City certifies in writing to the Trustee do not materially and adversely affect the leasehold estate of the City in the Leased Property hereunder. If any such mortgage, pledge, lien, charge, encumbrance or claim does materially and adversely affect the leasehold estate of the City in the Leased Property hereunder, the City will promptly, at its own expense, take such action as may be necessary to duly discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim, for which it is responsible; provided that the City is not required to do so prior to the time when such mortgage, pledge, lien, charge, encumbrance or claim actually causes such material adverse effect. The City will reimburse the Authority for any expense incurred by it in order to discharge or remove any such mortgage, pledge, lien, charge, encumbrance or claim.
SECTION 5.10. Advances. If the City fails to perform any of its obligations under this Article V, the Authority may (but is not required to) take such action as it deems necessary to cure such failure, including the advancement of money, and the City shall repay all such advances as Additional Rental Payments hereunder, with interest at the rate set forth in Section 4.3(c).

ARTICLE VI

DAMAGE, DESTRUCTION AND EMINENT DOMAIN; USE OF NET PROCEEDS

SECTION 6.1. Application of Net Proceeds. The Trustee, as assignee of the Authority under the Assignment Agreement, has the right to receive all Net Proceeds. As provided in the Indenture, the Trustee will deposit all Net Proceeds in the Insurance and Condemnation Fund to be applied as set forth in Section 5.07 of the Indenture.

SECTION 6.2. Termination or Abatement Due to Eminent Domain. If the Leased Property is taken permanently under the power of eminent domain or sold to a government threatening to exercise the power of eminent domain, the Term of this Lease thereupon ceases as of the day possession is taken. If less than all of the Leased Property is taken permanently, or if the Leased Property is taken temporarily, under the power of eminent domain, then:

(a) this Lease shall continue in full force and effect with respect thereto and does not terminate by virtue of such taking, and the parties waive the benefit of any law to the contrary; and

(b) the Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property.

Notwithstanding the foregoing, there shall be no abatement of the Lease Payments under this Section 6.2 in the event and to the extent that amounts in the Insurance and Condemnation Fund, the Bond Fund or the Reserve Fund are available to pay Lease Payments which would otherwise be abated, it being hereby declared that such proceeds and amounts constitute special funds for the payment of the Lease Payments.

SECTION 6.3. Abatement Due to Damage or Destruction. The Lease Payments are subject to abatement during any period in which by reason of damage or destruction (other than by eminent domain which is hereinafter provided for) there is substantial interference with the use and occupancy by the City of the Leased Property or any portion thereof. The Lease Payments are subject to abatement in an amount determined by the City such that the resulting Lease Payments represent fair consideration for the use and occupancy of the remaining usable portions of the Leased Property not damaged or destroyed. Such abatement will continue for the period commencing with such damage or destruction and ending with the substantial completion of the work of repair or reconstruction. In the event of any such damage or destruction, this Lease continues in full force and effect and the City waives any right to terminate this Lease by virtue of any such damage and destruction.

Notwithstanding the foregoing, there shall be no abatement of the Lease Payments under this Section 6.3 in the event and to the extent that amounts in the Insurance and Condemnation Fund, the Bond Fund or the Reserve Fund are available to pay Lease Payments which would
otherwise be abated, it being hereby declared that such proceeds and amounts constitute special funds for the payment of the Lease Payments.

The abatement of Lease Payments hereunder in accordance with the terms hereof shall not constitute an Event of Default (as defined in Section 8.1) hereunder.

ARTICLE VII

OTHER COVENANTS OF THE CITY

SECTION 7.1. Disclaimer of Warranties. THE AUTHORITY AND THE TRUSTEE MAKE NO AGREEMENT, WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE OR FITNESS FOR THE USE CONTEMPLATED BY THE CITY OF THE LEASED PROPERTY OR ANY PORTION THEREOF, OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE LEASED PROPERTY OR ANY PORTION THEREOF. THE CITY ACKNOWLEDGES THAT THE AUTHORITY IS NOT A MANUFACTURER OF ANY PORTION OF THE LEASED PROPERTY OR A DEALER THEREIN, THAT THE CITY LEASES THE LEASED PROPERTY AS-IS, IT BEING AGREED THAT ALL OF THE AFOREMENTIONED RISKS ARE TO BE BORNE BY THE CITY. The Authority has no liability for incidental, indirect, special or consequential damages, in connection with or arising out of this Lease for the existence, furnishing, functioning or use of the Leased Property by the City.

SECTION 7.2. Access to the Leased Property. The City agrees that the Authority, any Authorized Representative of the Authority, and the Authority’s successors or assigns have the right at all reasonable times to enter upon and to examine and inspect the Leased Property or any part thereof. The City further agrees that the Authority, any Authorized Representative of the Authority, and the Authority’s successors or assigns may have such rights of access to the Leased Property or any component thereof as reasonably necessary to cause the proper maintenance of the Leased Property if the City fails to perform its obligations hereunder; provided, however, that neither the Authority nor any of its assigns has any obligation to cause such proper maintenance.

SECTION 7.3. Release and Indemnification Covenants. The City agrees to indemnify the Authority, the Trustee and their respective officers, agents, successors and assigns, against all claims, losses and damages, including legal fees and expenses, arising out of any of the following:

(a) the use, maintenance, condition or management of, or from any work or thing done on the Leased Property by the City,

(b) any breach or default on the part of the City in the performance of any of its obligations under this Lease,

(c) any negligence or willful misconduct of the City or of any of its agents, contractors, servants, employees or licensees with respect to the Leased Property,

(d) any intentional misconduct or negligence of any sublessee of the City with respect to the Leased Property,
(e) the acquisition, construction, improvement and equipping of the Leased Property, or the authorization of payment of the costs thereof, or

(f) the acceptance and performance of the duties of the Trustee under the Indenture and under this Lease.

No indemnification is made under this Section or elsewhere in this Lease for willful misconduct or negligence under this Lease by the Authority, the Trustee or their respective officers, agents, employees, successors or assigns.

SECTION 7.4. Assignment and Subleasing by the City. The City may sublease the Leased Property, or any portion thereof, subject to all of the following conditions:

(a) this Lease and the obligation of the City to make Lease Payments hereunder must remain obligations of the City;

(b) the City must, within 30 days after the delivery thereof, furnish or cause to be furnished to the Authority and the Trustee a true and complete copy of such sublease;

(c) no such sublease by the City may cause the Leased Property to be used for a purpose which is not authorized under the provisions of the laws of the State of California; and

(d) the City must furnish to the Authority and the Trustee a written opinion of Bond Counsel stating that such sublease does not cause the interest on the Bonds to become included in gross income for purposes of federal income taxation or on the Bonds to become subject to personal income taxation by the State of California.

SECTION 7.5. Amendment Hereof. The Authority and the City may at any time amend or modify any of the provisions of this Lease, but only: (a) with the prior written consents of the Owners of a majority in aggregate principal amount of the Outstanding Bonds; or (b) without the consent of the Trustee or any of the Bond Owners, but only if such amendment or modification is for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City contained in this Lease, other covenants and agreements thereafter to be observed, or to limit or surrender any rights or power herein reserved to or conferred upon the City;

(ii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained herein, to conform to the original intention of the City and the Authority;

(iii) to modify, amend or supplement this Lease in such manner as to assure that the interest on the Bonds remains excluded from gross income under the Tax Code;

(iv) to amend the description of the Leased Property to reflect accurately the property originally intended to be included therein, or in connection with any substitution or release of property under Sections 3.2 or 3.3;
(v) to obligate the City to pay additional amounts of rental for the use and occupancy of the Leased Property, but only if (A) such additional amounts of rental are pledged or assigned for the payment of any bonds, notes, leases or other obligations the proceeds of which are applied to finance or refinance the acquisition or construction of any real or personal property for which the City is authorized to expend funds subject to its control, and (B) the City has obtained and filed with the Trustee an appraisal or other written evidence that the value of the Leased Property is at least equal to the aggregate principal amount of the Outstanding Bonds and all such other bonds, notes, leases or other obligations; or

(vi) in any other respect whatsoever as the Authority and the City deem necessary or desirable, if in the opinion of Bond Counsel such modifications or amendments do not materially adversely affect the interests of the Owners of the Bonds.

No such modification or amendment may (a) extend or have the effect of extending any Lease Payment Date or reducing any Lease Payment or any premium payable upon the prepayment thereof, without the express consent of the Owners of the affected Bonds, or (b) modify any of the rights or obligations of the Trustee without its written assent thereto.

SECTION 7.6. **Tax Covenants**.

(a) **Private Business Use Limitation.** The City shall assure that the proceeds of the Bonds are not used in a manner which would cause the Bonds to satisfy the private business tests of Section 141(b) of the Tax Code or the private loan financing test of Section 141(c) of the Tax Code.

(b) **Federal Guarantee Prohibition.** The City may not take any action or permit or suffer any action to be taken if the result of the same would be to cause the Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Tax Code.

(c) **No Arbitrage.** The City may not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds or of any other obligations which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Closing Date, would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Tax Code.

(d) **Maintenance of Tax Exemption.** The City shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the Owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Tax Code as in effect on the Closing Date.

(e) **Rebate of Excess Investment Earnings to United States.** The City shall calculate or cause to be calculated the Excess Investment Earnings in all respects at the times and in the manner required under the Tax Code. The City shall pay the full amount of Excess Investment Earnings to the United States of America in such amounts, at such times and in such manner as may be required under the Tax Code. Such payments shall be made by the City from any source of legally available funds of the City, and shall constitute Additional Rental Payments hereunder.
The City shall keep or cause to be kept, and retain or cause to be retained for a period of six years following the retirement of the Bonds, records of the determinations made under this subsection (e). In order to provide for the administration of this subsection (e), the City may provide for the employment of independent attorneys, accountants and consultants compensated on such reasonable basis as the City may deem appropriate. The Trustee has no duty or obligation to monitor or enforce compliance by the City of any of the requirements under this subsection (e).

SECTION 7.7. Continuing Disclosure. The City shall comply with and carry out all of the provisions of the Continuing Disclosure Certificate executed by the City as of the Closing Date, as originally executed and as it may be amended from time to time in accordance with its terms. Notwithstanding any other provision of this Lease, failure of the City to comply with such Continuing Disclosure Certificate will not constitute an Event of Default, although any Participating Underwriter (as that term is defined in such Continuing Disclosure Certificate) or any Owner or beneficial owner of the Bonds may take such actions as may be necessary and appropriate to compel performance by the City of its obligations under this Section, including seeking mandate or specific performance by court order.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES

SECTION 8.1. Events of Default Defined. Any one or more of the following events constitute an Event of Default hereunder:

(a) Failure by the City to pay any Lease Payment or other payment required to be paid hereunder at the time specified herein.

(b) Failure by the City to observe and perform any covenant, condition or agreement on its part to be observed or performed, other than as referred to in the preceding subsection (a), for a period of 30 days after written notice specifying such failure and requesting that it be remedied has been given to the City by the Authority or the Trustee. If in the reasonable opinion of the City the failure stated in the notice can be corrected, but not within such 30-day period, the failure will not constitute an Event of Default if the City commences to cure the failure within such 30-day period and thereafter diligently and in good faith cures the failure in a reasonable period of time.

(c) The filing by the City of a voluntary petition in bankruptcy, or failure by the City promptly to lift any execution, garnishment or attachment, or adjudication of the City as a bankrupt, or assignment by the City for the benefit of creditors, or the entry by the City into an agreement of composition with creditors, or the approval by a court of competent jurisdiction of a petition applicable to the City in any proceedings instituted under the provisions of the Federal Bankruptcy Code, as amended, or under any similar acts which may hereafter be enacted.

(d) An event of default under the Ground Lease.
SECTION 8.2. Remedies on Default. Whenever any Event of Default has happened and is continuing, the Authority may exercise any and all remedies available under law or granted under this Lease. Notwithstanding anything herein or in the Indenture to the contrary, neither the Authority nor the Trustee may accelerate the Lease Payments or otherwise declare any Lease Payments not then in default to be immediately due and payable. Each covenant hereof to be kept and performed by the City is expressly made a condition and upon the breach thereof the Authority may exercise any and all rights granted hereunder; except that no termination of this Lease may be effected either by operation of law or acts of the parties hereto, except only in the manner herein expressly provided. Upon the occurrence and during the continuance of any Event of Default, the Authority may exercise each and every one of the following remedies, subject in all respects to the limitations set forth in Section 8.3.

(a) Enforcement of Payments Without Termination. If the Authority does not elect to terminate this Lease in the manner hereinafter provided for in subparagraph (b) hereof, the City agrees to and shall remain liable for the payment of all Lease Payments and the performance of all conditions herein contained and shall reimburse the Authority for any deficiency arising out of the re-lease of the Leased Property, or, if the Authority is unable to re-lease the Leased Property, then for the full amount of all Lease Payments to the end of the Term of this Lease, but said Lease Payments and/or deficiency shall be payable only at the same time and in the same manner as hereinabove provided for the payment of Lease Payments hereunder, notwithstanding such entry or re-entry by the Authority or any suit in unlawful detainer, or otherwise, brought by the Authority for the purpose of effecting such re-entry or obtaining possession of the Leased Property or the exercise of any other remedy by the Authority. The City hereby irrevocably appoints the Authority as the agent and attorney-in-fact of the City to enter upon and re-lease the Leased Property upon the occurrence and continuation of an Event of Default and to remove all personal property whatsoever situated upon the Leased Property, to place the Leased Property in storage or other suitable place in the County of San Mateo for the account of and at the expense of the City, and the City hereby exempts and agrees to save harmless the Authority from any costs, loss or damage whatsoever arising or occasioned by any such entry upon and re-lease of the Leased Property and the removal and storage of the Leased Property by the Authority or its duly authorized agents in accordance with the provisions herein contained. The City agrees that the terms of this Lease constitute full and sufficient notice of the right of the Authority to re-lease the Leased Property in the event of such re-entry without effecting a surrender of this Lease, and further agrees that no acts of the Authority in effecting such re-lease shall constitute a surrender or termination of this Lease irrespective of the term for which such re-lease is made or the terms and conditions of such re-lease, or otherwise, but that, on the contrary, in the event of such default by the City the right to terminate this Lease shall vest in the Authority to be effected in the sole and exclusive manner hereinafter provided for in subparagraph (b) hereof. The City agrees to surrender and quit possession of the Leased Property upon demand of the Authority for the purpose of enabling the Leased Property to be re-let under this paragraph, and the City further waives the right to any rental obtained by the Authority in excess of the Lease Payments and hereby conveys and releases such excess to the Authority as
compensation to the Authority for its services in re-leasing the Leased Property.

(b) Termination of Lease. If an Event of Default occurs and is continuing hereunder, the Authority at its option may terminate this Lease and re-lease all or any portion of the Leased Property. If the Authority terminates this Lease at its option and in the manner hereinafter provided on account of default by the City (and notwithstanding any re-entry upon the Leased Property by the Authority in any manner whatsoever or the re-leasing of the Leased Property), the City nevertheless agrees to pay to the Authority all costs, loss or damages howsoever arising or occurring payable at the same time and in the same manner as is herein provided in the case of payment of Lease Payments and Additional Rental Payments. Any surplus received by the Authority from such re-leasing shall be deposited in the Bond Fund. Neither notice to pay rent or to deliver up possession of the premises given under law nor any proceeding in unlawful detainer taken by the Authority shall of itself operate to terminate this Lease, and no termination of this Lease on account of default by the City shall be or become effective by operation of law, or otherwise, unless and until the Authority shall have given written notice to the City of the election on the part of the Authority to terminate this Lease. The City covenants and agrees that no surrender of the Leased Property, or of the remainder of the Term hereof or any termination of this Lease shall be valid in any manner or for any purpose whatsoever unless stated or accepted by the Authority by such written notice.

(c) Proceedings at Law or In Equity. If an Event of Default occurs and continues hereunder, the Authority may take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due hereunder or to enforce any other of its rights hereunder.

SECTION 8.3. No Remedy Exclusive. No remedy herein conferred upon or reserved to the Authority is intended to be exclusive and every such remedy is cumulative and in addition to every other remedy given under this Lease or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon the occurrence of any Event of Default impairs any such right or power or operates as a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Authority to exercise any remedy reserved to it in this Article VIII it is not necessary to give any notice, other than as expressly required in this Article VIII or by law.

SECTION 8.4. Agreement to Pay Attorneys’ Fees and Expenses. If the Authority or the City defaults under any of the provisions of this Lease and the nondefaulting party employs attorneys or incurs other expenses for the collection of moneys or the enforcement or performance or observance of any obligation or agreement on the part of the defaulting party herein contained, the defaulting party will on demand therefor pay to the nondefaulting party the reasonable fees of such attorneys and such other expenses so incurred by the nondefaulting party; provided, however, that the Trustee shall not be required to expend its own funds for any payment described in this Section.

SECTION 8.5. No Additional Waiver Implied by One Waiver. If the Authority or the City breaches any agreement in this Lease and thereafter the other party waives the breach, such
waiver is limited to the particular breach so waived and does not operate to waive any other breach hereunder.

SECTION 8.6. Application of Proceeds. All net proceeds received from the re-lease of the Leased Property under this Article VIII, and all other amounts derived by the Authority or the Trustee as a result of the occurrence of an Event of Default, must be paid to and applied by the Trustee in accordance with Section 7.03 of the Indenture.

SECTION 8.7. Trustee and Bond Owners to Exercise Rights. Such rights and remedies as are given to the Authority under this Article VIII have been assigned by the Authority to the Trustee under the Assignment Agreement for the benefit of the Bond Owners, to which assignment the City hereby consents. The Trustee and the Bond Owners shall exercise such rights and remedies in accordance with the Indenture.

SECTION 8.8. Covenant to Comply with Ground Lease. The City hereby covenants and agrees during the term of this Lease to comply with all terms and conditions of the Ground Lease.

ARTICLE IX

PREPAYMENT OF LEASE PAYMENTS

SECTION 9.1. Security Deposit. Notwithstanding any other provision of this Lease, the City may on any date secure the payment of the Lease Payments allocable to the Leased Property in whole or in part by depositing with the Trustee an amount of cash which, together with other available amounts on deposit in the funds and accounts established under the Indenture, is either:

(a) sufficient to pay such Lease Payments, including the principal and interest components thereof, in accordance with the Lease Payment schedule set forth in Appendix B, or

(b) invested in whole or in part in non-callable Federal Securities in such amount as will, in the opinion of an independent certified public accountant, (which opinion must be addressed and delivered to the Trustee), together with interest to accrue thereon and together with any cash which is so deposited, be fully sufficient to pay such Lease Payments when due under Section 4.3(a), as the City instructs at the time of said deposit.

If the City makes a security deposit under this Section with respect to all unpaid Lease Payments, and notwithstanding the provisions of Section 4.2, (a) the Term of this Lease will continue, (b) all obligations of the City under this Lease, and all security provided by this Lease for said Lease Payments, will thereupon cease and terminate, excepting only the obligation of the City to make, or cause to be made all of said Lease Payments from such security deposit, and (c) under Section 4.7, title to the Leased Property will vest in the City on the date of said deposit automatically and without further action by the City or the Authority. Said security deposit constitutes a special fund for the payment of Lease Payments in accordance with the provisions of this Lease.

SECTION 9.2. Optional Prepayment. The City has the option to prepay the principal components of the Lease Payments in whole, or in part in any integral multiple of $5,000, from any source of legally available funds, on any date on or after March 1, 20___, at a prepayment
price equal to the aggregate principal components of the Lease Payments to be prepaid, together with the interest component of the Lease Payment required to be paid on such Interest Payment Date, and together with a prepayment premium equal to the premium (if any) required to be paid on the resulting redemption of Bonds under Section 4.01(a) of the Indenture. Such prepayment price shall be deposited by the Trustee in the Redemption Fund to be applied to the redemption of Bonds under Section 4.01(a) of the Indenture. The City shall give written notice to the Trustee of its intention to prepay the Lease Payments under this Section in sufficient time to enable the Trustee to give notice of the corresponding redemption of Bonds in accordance with Section 4.03 of the Indenture.

SECTION 9.3. Mandatory Prepayment From Net Proceeds of Insurance or Eminent Domain. The City shall prepay the principal components of the Lease Payments allocable to the Leased Property in whole or in part on any date, from and to the extent of any Net Proceeds of insurance award or eminent domain award with respect to the Leased Property theretofore deposited in the Redemption Fund for that purpose under Article VI hereof and Section 5.07 of the Indenture. Such Net Proceeds, to the extent remaining after payment of any delinquent Lease Payments, will be credited towards the City’s obligations under this Section and applied to the corresponding redemption of Bonds under Section 4.01(b) of the Indenture.

SECTION 9.4. Credit for Amounts on Deposit. If the principal components of the Lease Payments are prepaid in full under this Article IX, such that the Indenture is discharged by its terms as a result of such prepayment, at the written election of the City filed with the Trustee any or all amounts then on deposit in the Bond Fund (and the accounts therein) or the Reserve Fund will be credited towards the amounts then required to be so prepaid.

BACKGROUND:

1. The City has previously caused the execution and delivery of the City of San Bruno Certificates of Participation, Series 2000 (Police Facility Financing) in the aggregate initial principal amount of $9,600,000 in 2000 (the “Prior Obligations”) for the purpose of financing certain obligations of the City.

2. The City is proceeding to refinance the outstanding Prior Obligations for interest rate savings.

3. To that end, the City is leasing certain real property and improvements thereon owned by the City, consisting of the Police Station, as described in Appendix A attached hereto (the “Leased Property”), to the Authority under this Site Lease in consideration of the payment by the Authority of an upfront rental payment (the “Site Lease Payment”) to prepay the Prior Obligations.

4. The Authority has authorized the issuance of its San Bruno Public Financing Authority Lease Revenue Bonds, Series 2019 in the aggregate principal amount of $____________ (the “Bonds”) under an Indenture of Trust dated as of ________ 1, 2019 (the “Indenture”) by and between the Authority and MUFG Union Bank, N.A., as trustee (the “Trustee”), for the purpose of providing the funds to enable the Authority to pay the Site Lease Payment to the City in accordance with this Site Lease.

5. In order to provide revenues to enable the Authority to pay debt service on the Bonds, the Authority is leasing the Leased Property back to the City under a Lease
Agreement dated as of ________ 1, 2019 and recorded concurrently herewith (the “Lease”), under which the City has agreed to pay semiannual Lease Payments as the rental for the Leased Property thereunder.

6. The lease payments made by the City under the Lease have been assigned by the Authority to the Trustee for the security of the Bonds under an Assignment Agreement, dated as of ________ 1, 2019, between the Authority as assignor and the Trustee as assignee, and recorded concurrently herewith.

\[\text{AGREEMENT:}\]

In consideration of the above premises and of the mutual promises and covenants herein contained and for other valuable consideration, the parties hereto do hereby agree as follows:

SECTION 1. Lease of Property to Authority. The City hereby leases the Leased Property to the Authority and the Authority hereby leases the Leased Property from the City, on the terms and conditions hereinafter set forth. This Site Lease is subject and subordinate to the Ground Lease dated as of February 29, 2000 (the “Ground Lease”) between San Francisco Bay Area Rapid Transit District, as lessor, and the City, as lessee.

SECTION 2. Term; Possession. The term of this Site Lease commences on the Closing Date and ends on the date on which the Indenture is discharged in accordance with Section 10.03 thereof, but under any circumstances not later than March 1, 20__. The provisions of this Section 2 are subject in all respects to any other provisions of this Site Lease relating to the termination hereof.

SECTION 3. Rental. The Authority shall pay to the City as and for rental of the Leased Property hereunder, the sum of $_________ (the “Site Lease Payment”). The Site Lease Payment is due and payable upon the issuance of the Bonds and the execution and delivery hereof, and will be paid from the proceeds of the Bonds. The Authority and the City hereby find and determine that the total amount of the Site Lease Payment does not exceed the fair market value of the leasehold interest in the Leased Property which is conveyed hereunder by the City to the Authority. No other amount of rental is due and payable by the Authority for the use and occupancy of the Leased Property under this Site Lease.

SECTION 4. Leaseback to City. The Authority shall lease the Leased Property back to the City under the Lease.

SECTION 5. Assignments and Subleases. Unless the City is in default under the Lease, the Authority may not assign its rights under this Site Lease or sublet all or any portion of the Leased Property, except as provided in the Assignment Agreement and in the Lease, without the prior written consent of the City.

SECTION 6. Substitution or Release of Property. If the City exercises its option under Section 3.2 of the Lease to substitute property for the Leased Property in whole or in part, such substitution shall also operate to substitute property for the Leased Property that is leased hereunder. If the City exercises its option under Section 3.3 of the Lease to release a portion of the Leased Property from the Lease, such substitution shall also
operate to release such portion of the Leased Property hereunder. The description of the Leased Property which is leased under the Lease shall conform at all times to the description of the Leased Property which is leased hereunder.

SECTION 7. Right of Entry. The City reserves the right for any of its duly authorized representatives to enter upon the Leased Property, or any portion thereof, at any reasonable time to inspect the same or to make any repairs, improvements or changes necessary for the preservation thereof.

SECTION 8. Termination. The Authority agrees, upon the termination of this Site Lease, to quit and surrender the Leased Property in the same good order and condition as the Leased Property was in at the time of commencement of the term hereof, reasonable wear and tear excepted, and agrees that all buildings, improvements and structures then existing upon the Leased Property shall remain thereon and title thereto shall vest thereupon in the City for no additional consideration.

SECTION 9. Default. If the Authority defaults in the performance of any obligation on its part to be performed under the terms of this Site Lease, which default continues for 30 days following notice and demand for correction thereof to the Authority, the City may exercise any and all remedies granted by law, except that no merger of this Site Lease and of the Lease shall be deemed to occur as a result thereof and no such remedy may include termination hereof; provided, however, that so long as the Lease remains in effect, the Lease Payments payable by the City under the Lease shall continue to be paid to the Trustee.

SECTION 10. Quiet Enjoyment. The Authority at all times during the term of this Site Lease shall peaceably and quietly have, hold and enjoy all of the Leased Property, subject to the provisions of the Lease and subject only to Permitted Encumbrances (as that term is defined in the Lease).

SECTION 11. Waiver of Personal Liability. All liabilities under this Site Lease on the part of the Authority are solely corporate liabilities of the Authority as a public entity, and the City hereby releases each and every member and officer of the Authority of and from any personal or individual liability under this Site Lease. No member or officer of the Authority or its governing board shall at any time or under any circumstances be individually or personally liable under this Site Lease for anything done or omitted to be done by the Authority hereunder.

SECTION 12. Taxes. The City covenants and agrees to pay any and all assessments of any kind or character and also all taxes, including possessory interest taxes, levied or assessed upon the Leased Property and any improvements thereon.

SECTION 13. Eminent Domain. If the whole or any part of the Leased Property or any improvements thereon is taken by eminent domain proceedings, the interest of the Authority shall be recognized and is hereby determined to be the amount of the then unpaid Lease Payments payable under the Lease and the balance of the award, if any, shall be paid to the City.

SECTION 14. Partial Invalidity. If any one or more of the terms, provisions, covenants or conditions of this Site Lease shall to any extent be declared invalid, unenforceable, void or voidable for any reason whatsoever by a court of competent
jurisdiction, the finding or order or decree of which becomes final, none of the remaining terms, provisions, covenants and conditions of this Site Lease shall be affected thereby, and each provision of this Site Lease shall be valid and enforceable to the fullest extent permitted by law.

SECTION 15. Notices. Any notice, request, complaint, demand or other communication under this Site Lease shall be given by first class mail or personal delivery to the party entitled thereto at its address set forth below, or by telecopy, telex or other form of telecommunication, at its number set forth below. Notice shall be effective either (a) upon transmission by facsimile transmission or other form of telecommunication, (b) 48 hours after deposit in the United States mail, postage prepaid, or (c) in the case of personal delivery to any person, upon actual receipt. Background

In 2000, the City issued $9,600,000 Certificates of Participation, Series 2000 (the “2000 COPS”) to fund the construction of the Police Facility.

- The Police Facility is a 3-story building containing 25,163 Square feet owned by the City of San Bruno on land leased from BART.
- The City occupies 80% of the facility and subleases the other 20% to BART.
The debt service payments of approximately $650,000 per year are an obligation of the City’s General Fund.

Paid by the Successor Agency, formerly the Redevelopment Agency, from tax revenues, or formerly tax increment revenues, that are included on the Successor Agency’s annual ROPs.

- Recognized Obligation Payment Schedule (ROPs)
- Reimbursement Agreement between the City and the Redevelopment Agency dated December 1, 2000.
Presently, the 2000 COPs remaining principal is $5,995,000 that bears interest at a rate of 5.15% to 5.25%.

The February 1, 2019 principal payment of $335,000 will be paid from tax revenues from the FY2018-19 ROPs.

The remaining principal of $5,660,000 is proposed to be refunded.
Background (continued)

The Dissolution Act (ABx1 26, as amended by AB 1484) authorizes refunding bonds to pay off outstanding indebtedness.

Current market conditions as of October 30, 2018 allow for the issuance of 2019 Lease Revenue Bonds to refinance the 2000 COPs to provide estimated average annual savings of approximately $128,000.

Debt Issuance Structure

Recommended optimal financing structure:

- Issuance of 2019 Lease Revenue Bonds (LRBs) secured by the General Fund, but paid from Tax Revenues per the Amended Reimbursement Agreement.

- 2019 LRBs will be paid at the same lien level as the 2000 COPs.
  - No Debt Service Reserve Fund
  - Fixed rate
  - A 12-year term – no change from current term
  - Level debt service

- Based on market rates as of October 30, 2018.
- The average annual reduction in debt service payments will be approximately **$128,000**.
- City’s annual share is approximately **$19,000**.
- Estimated True Interest Cost will be **2.78%**.
- Net Present Value savings over life of indebtedness of approximately **$661,000**.
- Estimated Financing costs of **$239,110**.

*Preliminary, subject to change*
Today’s Actions

The County Countywide Oversight Board will consider adopting a resolution approving the amendment of a reimbursement agreement in order to refund outstanding obligations and providing for other matters properly related thereto:

- It acknowledges that the Debt Service Savings Analysis on file with the Clerk of the Oversight Board demonstrates that there are significant potential savings available to the Successor Agency and to applicable taxing entities in compliance with the Savings Parameters that would result from the execution and delivery by the Successor Agency of the Amended and Restated Reimbursement Agreement to facilitate the refunding and defeasance of the Prior Lease and Prior Obligations.
Today’s Actions (Continued)

It finds that the execution and delivery of the Amended and Restated Reimbursement Agreement is in the financial interests of the taxing entities provided that the limitations set forth in Section 34177.5(a)(1) are satisfied, and the Savings Parameters are achieved.
Today’s Actions (Continued)

As authorized by Sections 34177.5(f) and 34180(b), it hereby directs and authorizes the Successor Agency to undertake the amendment of the Reimbursement Agreement and the execution and delivery of the Amended and Restated Reimbursement Agreement in the aggregate principal amount not to exceed the amount set forth in the Successor Agency Resolution, pay issuance costs as permitted by applicable law, and establish required debt service reserves, provided that the principal and interest payable with respect to the Amended and Restated Reimbursement Agreement complies in all respects with the requirements of the Savings Parameters, as shall be certified by the Municipal Advisor upon delivery of the Amended and Restated Reimbursement Agreement.
Next Steps

- Submission of resolutions of both the Successor Agency and Oversight Board and all the related documents to the Department of Finance (November, 2018)
- Receive Department of Finance’s Approval (Planned for January 2019)
- Secure underlying credit rating (Planned for February 2019)
Next Steps – (Continued)

- City Council/Financing Authority approval of the Preliminary Official Statement and remaining financing documents (Planned for February 2019)
- Negotiated sale of Refunding Bonds (Planned for February 2019)
- Bond Closing (Anticipated in March 2019)

Subject: Report on Redevelopment Agency Dissolution Status Update – Foster City

Recommendation
This item is for information and discussion purposes only. No action is required by the Board.

Background and Discussion
The San Mateo County Countywide Oversight Board (the “Board”) was created pursuant to Health and Safety Code (HSC) 34179(j) to provide guidance and oversight to the successor agencies who are tasked with winding down the affairs of redevelopment agencies (RDAs).

This item is intended to inform the Board of the progress of the wind-down activities of the former Foster City Redevelopment Agency. The attachments to this memo were prepared by the Foster City Sucessor Agency and provide an overview of the remaining expenditures/obligations and disposition of assets status.

Edmund Suen, Foster City’s Finance Director will be presenting to the Board.

Exhibit A

Date: November 2, 2018

To: San Mateo County Countywide Oversight Board

From: Edmund Suen, Finance Director, City of Foster City

Subject: Dissolution Status Report from the Successor Agency

Former RDA: Foster City

Background
This agenda item summarizes the dissolution status of the former redevelopment agency (RDA). It includes a summary of the disposition of assets, remaining obligations, pending litigation, the status of the Last and Final Recognized Obligation Payment Schedule (ROPS), and any other items pertaining to the winding-down of the affairs of the former RDA.

Discussion
A. Disposition of Assets
The Successor Agency (Agency) did not have any real property assets. The California Department of Finance (DOF) approved the Long Range Property Management Plan (LRPMP) for the Foster City Successor Agency (Agency) on May 15, 2015 (see Attachment 2).

B. Outstanding Obligations
The Agency has approximately $5.6 million in total outstanding obligations. They consist of the following:

1. Development and Disposition Agreement: An affordable housing subsidy under a Development and Disposition Agreement for the Marlin Cove Redevelopment Project with a termination date of January 2029. It has an outstanding balance of approximately $2,482,400.
2. Development and Disposition Agreement: A utility subsidy under a Development and Disposition Agreement for the Marlin Cove Redevelopment Project with a termination date of January 2029. It has an outstanding balance of approximately $602,600.
3. Reinstatement of Loan Agreement per H&S 34191.4(b): On November 10, 2014, the DOF approved the reinstatement of a City of Foster City loan to the former Foster City redevelopment agency. The principal balance is $1,115,697 with interest accruing until the Loan and interest are repaid in full.
4. Administrative Cost Allowance: The Agency’s administrative budget on ROPS 18-19 is $70,000, which is less than the $250,000 permitted. It consists primarily of Agency staff time and audit and legal services.

In considering the possibility of prepaying or making a lump sum payment on any of the above obligations, staff believes that it’s probably unlikely. A prepayment of the DDA obligations (Items 1 and 2) would require an agreement with the developer and since the affordable housing subsidy annual payment is calculated from net tax increment, it would require some type of negotiation on the lump sum amount. A lump sum payment of the utility subsidy can be calculated, but would also require an agreement with the developer. The reinstatement of Loan Agreement is subject to a calculation based on the repayment formula specified under HSC section 34191.4(b) (2) (1). Staff suspects a lump sum payment would require a calculation that would be conditioned on a DOF’s approval. Lastly, the administrative cost allowance is tied to the administration of the SA, so it would be difficult to make an assumption a lump sum value.

C. Litigation
The Successor Agency is not aware of any matters currently in litigation. In the event that the Agency becomes aware of existing or potential litigation, the matter(s) would be brought forward to the Oversight Board, as appropriate.

D. Last and Final ROPS (LROPS)
The Agency submitted a Last and Final Recognized Obligation Payment Schedule (LROPS) to the DOF on August 29, 2017. On December 7, 2017, the DOF denied the Agency’s LROPS, disallowing a portion of the affordable housing subsidy payment (see Attachments 3 and 4), contending that the subsidy calculation, being based on tax increment “no longer exists” based on their interpretation that Health and Safety Code (HSC) Section 34189 rendered HSC Section 33670(b) inoperative. The Agency and its former Oversight Board disagrees with the DOF and believes there is a legal and enforceable obligation for “full” affordable housing subsidy payments under the provisions of the Disposition and Development Agreement (DDA) with PWM Residential Ventures, LLC, successor to M.H. Podell Company. The Agency included the “full” affordable housing subsidy calculation in its ROPS 2018-19 and somewhat surprisingly, the DOF approved the “full” amount.

Conclusion
The Department of Finance denied the Agency’s Last and Final ROPS on December 7, 2017. As a result, Agency staff anticipates bringing its ROPS to the Board annually.

Is your SA eligible to submit a Last and Final ROPS?
The Foster City SA submitted a Last and Final ROPS (LROPS) with the CA Department of Finance (DOF) on August 29, 2017. On December 7, 2017, the DOF denied the LROPS, asserting that one element of our calculation for our housing subsidy obligation to PWM Residential Ventures, LLC no longer existed based on their interpretation of Health and Safety Section 34189. This is despite that fact that this enforceable obligation had previously been approved by our former Oversight Board and the DOF over each and every ROPS. Staff and the former Oversight Board strongly disagreed with the DOF. The SA included the "full" amount of PWM Affordable Housing in its ROPS 18-19 and received no inquiry or dispute from the DOF. The ROPS 18-19 was approved by the DOF on April 9, 2018. As a result of the denial of our LROPS, the SA plans to continue to submit an annual ROPS to the Oversight Board and DOF.

If yes, when do you anticipate filing a Last and Final ROPS (Month/Year)?

If your SA does not plan to file a Last and Final, explain why.

Foster City, CA 94404  

Dear Mr. Hardy:

Subject: Long-Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the City of Foster City Successor Agency (Agency) submitted a Long-Range Property Management Plan (LRPMP) to the California Department of Finance (Finance) on February 25, 2015. Finance has completed its review of the LRPMP, which may have included obtaining clarification for various items.

The Agency received a Finding of Completion on June 27, 2014. The LRPMP submitted to Finance did not include any properties. It is our understanding, the properties previously owned by the former redevelopment agency have been transferred as housing assets to the City of Foster City Housing Successor. These transfers were approved by the Agency's Oversight Board and Finance. Therefore, Finance is approving the Agency's LRPMP.

Please direct inquiries to Wendy Griffie, Supervisor, or Erika Santiago, Lead Analyst at (916) 445-1546.

Dear Sir/Madam:

Subject: Long-Range Property Management Plan

The Successor Agency City of Foster City (Successor Agency) received a Notice of Completion from the Department of Finance (Finance) on June 27, 2014. Pursuant to Health and Safety Code (HSC) section 34191.5, there is a requirement to submit a Long-Range Property Management Plan (LRPMP) to Finance after the receipt of a Notice of Completion. However, the Successor Agency has no properties to report on the LMPMP. As a result, this letter serves as the Successor Agency’s notice to Finance that we will not be filing a LRPMP. Please note that this letter was also approved by the Successor Agency’s Oversight Board as evidenced by the attached resolution. Should you have any questions, please contact me at (650) 286-3265 or esuen@fostercity.org.

Mr. Edmund Suen, Finance Director

Foster City, CA 94404

Dear Mr. Suen:

Subject: Last and Final Recognized Obligation Payment Schedule

Pursuant to Health and Safety Code (HSC) section 34191.6 (b) the City of Foster City Successor Agency (Agency) submitted a Last and Final Recognized Obligation Payment Schedule (Last and Final ROPS) to the California Department of Finance (Finance) on August 29, 2017. Finance has completed its review of the Agency’s Last and Final ROPS.

HSC section 34191.6 (c) authorizes Finance to make amendments or changes to the Last and Final ROPS if the changes are agreed to in writing by the Agency. Finance proposed certain amendments or changes; however, an agreement with the Agency could not be reached.

Therefore, pursuant to HSC section 34191.6 (c), Finance is required to deny the Agency’s Last and Final ROPS at this time. The Dissolution Act does not allow a Meet and Confer for the Last and Final ROPS. To the extent the Agency agrees to the amendments and changes recommended by Finance or has additional information for Finance to consider, the Agency may submit a new Oversight Board approved Last and Final ROPS for Finance’s review and approval in the future.

Without an approved Last and Final ROPS, the Agency’s annual ROPS approved by Finance for the current annual ROPS period is still effective and the Agency must continue to prepare and submit an annual ROPS to Finance pursuant to HSC section 34177 (a).

Please direct inquiries to Kylie Oltmann, Supervisor, or Daisy Rose, Lead Analyst, at (916) 322-2985.

    Ms. Shirley Tourel, Senior Internal Auditor, San Mateo County
This is in response to our conference call regarding Item No. 3 on the Agency's Last and Final Recognized Obligation Payment Schedule (Last and Final ROPS). As discussed on the call, in reviewing your request for a Last and Final, an issue was flagged which changes Finance’s determination as to the scope of the obligation listed as Item No. 3.

The 1999 DDA obligated the former Redevelopment Agency to pay the Developer annual rental subsidies, which includes annual calculation of 30 percent of the net tax increment generated from the project site plus $110,000. However, in reviewing the DDA further during the consideration of a Last and Final ROPS, Finance noted that Section 604 of the DDA defines the net tax increment as gross tax increment revenue allocated to the Agency per HSC 33670 (b). Under dissolution law, HSC section 34189 specifically renders HSC section 33670 (b) inoperative. Therefore, the Agency’s obligations to make the 30 percent of the net tax increment to the Developer no longer exists. The Agency’s obligation under the DDA is only the $110,000 set annual payment.

Consequently, on future ROPS, and any request for a Last and Final, only the $110,000 should be requested for Item No. 3.

If you have further questions, please feel free to contact us at (916) 322-2985.

Thank you,
Recommendation

EXHIBIT A

Date: November 5, 2018

To: San Mateo County Countywide Oversight Board

From: Brenda Olwin, Finance Director

Subject: Dissolution Status Report from the Successor Agency

Former RDA: Former East Palo Alto Redevelopment Agency

**Background**

This agenda item summarizes the dissolution status of the former redevelopment agency (RDA). It includes a summary of the disposition of assets, remaining obligations, pending litigation, the status of the Last and Final Recognized Obligation Payment Schedule (ROPS), and any other items pertaining to the winding-down of the affairs of the former RDA.

**Discussion**

**A. Disposition of Assets**

At the point of dissolution, the former RDA had 9 properties (See Attachment 1). Prior to July 1, 2018, 8 of the properties have been transferred to the City of East Palo Alto for approved public purposes. The remaining property (Property #8 APN 063-312-460) is a remnant right of way and should be classified as a “Highways & Street” site. It is unclear why this property has not been transferred and/or classified as a “Highways & Street”; however, staff is in contact with legal counsel in order to have the property properly transferred as it is clearly in use as a public right of way.

All properties are in use by the City of East Palo Alto for governmental public purposes.

**B. Outstanding Obligations**

The former RDA has the following outstanding obligations:

1. 2015 Tax Allocation Refunding Bonds Series A - $16.9M. The approximate annual debt service is $1.55M. Final debt service payment is October 1, 2032.

2. Sponsoring Entity Loans – Estimated $1.0M annual repayment allocated total:
   a. Ravenswood Repayment Agreement - $5.4M. Current estimated projections reflect final payment on July 1, 2031.
b. Gateway Repayment Agreement - $5.3M. Current estimated projections reflect final payment on July 1, 2026.
c. Initial estimates are for a level payment of $1.0M in annual repayments allocated across two loans. Staff could explore a more accelerated payment schedule; however, primarily seeking payment stability across economic cycles.

3. Bay Road Loan - $0.48M. Developer loan agreement up to $60,000 annual operating gap funding. This amount represents the maximum loan advance remaining through the term of the agreement expiring on January 31, 2026.

4. Bond Fiscal Agent Fees - $0.15M. Represents annual trustee service and reporting fees of $10,500 on the 2015 Tax Allocation Refunding Bonds. Fees expected to reduce due to pay-off of Series B bonds. Fees are due through final bond payment on October 1, 2032.

5. Administrative Costs - $0.67M. Represents annual administrative repayment of $50,000 through final debt payment.

C. Litigation
None.

D. Last and Final ROPS
The Successor Agency (SA) of the former East Palo Alto RDA has met all requirements to file a Last and Final ROPS; and intends to file a Last and Final ROPS for the ROPS period beginning FY 2020-21.

Conclusion
The Successor Agency is required to come before the Countywide Oversight Board prior to February 1, 2019 in order to obtain approval for ROPS 2019-2020. The Successor Agency plans to come before the Countywide Oversight Board in the spring of 2019 for approval of the LROPS.

Department of Finance Approved LRPMP – *Successor Agency of the Former East Palo Alto Redevelopment Agency*
June 9, 2015

Ms. Brenda Cooley-Olwin, Interim Finance Director
City of East Palo Alto
2415 University Avenue
East Palo Alto, CA 94303

Dear Ms. Olwin:

Subject: Long-Range Property Management Plan

Pursuant to Health and Safety Code (HSC) section 34191.5 (b), the City of East Palo Alto Successor Agency (Agency) submitted a Long-Range Property Management Plan (LRPMP) to the California Department of Finance (Finance) on January 16, 2014. The Agency subsequently submitted a revised LRPMP to Finance on October 20, 2014. Finance has completed its review of the LRPMP, which may have included obtaining clarification for various items.

The Agency received a Finding of Completion on July 16, 2013. Further, based on our review and application of the law, we are approving the Agency’s use or disposition of all of the properties listed on the revised LRPMP.

In accordance with HSC section 34191.4, upon receiving a Finding of Completion from Finance and approval of the LRPMP, all real property and interests in real property shall be transferred to the Community Redevelopment Property Trust Fund of the Agency, unless that property is subject to the requirements of an existing enforceable obligation. Pursuant to HSC section 34191.3, the approved LRPMP shall govern, and supersede all other provisions relating to the disposition and use of all the real property assets of the former redevelopment agency.

Agency actions taken pursuant to a Finance approved LRPMP which requires the Agency to enter into a new agreement are subject to Oversight Board (OB) approval per HSC section 34181 (f). Any OB action approving a new agreement in connection with the LRPMP should be submitted to Finance for approval.

Please direct all inquiries to Wendy Griffe, Supervisor, or Erika Santiago, Lead Analyst at (916) 445-1546.

Sincerely,

INTRODUCTION
On June 27, 2012, Governor Brown signed into law Assembly Bill 1484 (AB 1484), a budget trailer bill that makes substantial changes to the redevelopment agency dissolution process implemented by Assembly Bill 1X 26. One of the key components of AB 1484 is the requirement that all successor agencies develop a Long-Range Property Management Plan that governs the disposition and use of the former non-housing redevelopment agency properties. This document is the Long Range Property Management Plan for the Successor Agency to the former East Palo Alto Redevelopment Agency (RDA).

EXECUTIVE SUMMARY OF SUCCESSOR AGENCY OWNED PROPERTIES AND DISPOSITION PLANS
The former Redevelopment Agency acquired properties in an effort to revitalize blighted portions of the City. In March 2011 the Agency transferred all of its properties to the City, prior to adoption of ABx1 26 in the hopes of preserving the assets. The properties are in the ownership of the City but are subject to claw back to the Successor Agency pursuant to Section 34167.5 of the Dissolution Act. Thus, the properties are now owned by the Successor Agency. The Successor Agency is proposing to keep all properties for public use.

Pursuant to Health and Safety Code SEC.22. Section 34181, the Oversight Board shall direct the Successor Agency to do all of the following: “(a) Dispose of all assets and properties of the former redevelopment agency; provided, however, that the oversight board may instead direct the successor agency to transfer ownership of those assets that were constructed and used for a governmental purpose, such as roads, school buildings, parks, police and fire stations, libraries, and local agency administrative buildings, to the appropriate public jurisdiction pursuant to any existing agreements relating to the construction or use of such an asset.

There are nine (9) properties or parcels owned and controlled by the Successor Agency. A summary table with a brief description of the property and the proposed public use is provided below. A more detailed analysis of every property follows, addressing all statutory requirements and questions of the State Department of Finance.

Deed restrictions will be recorded for both Pad “D” and 1798 Bay Road, restricting their use for public purposes, including, but not limited to those listed in the Table below. If Pad D or Tanklage are not used for public purposes, the Successor Agency will come back to the Oversight Board to seek approval to remove the deed restrictions, approve the sale of the properties, and distribute the proceeds to the taxing entities, according to each entity’s proportional tax share, as required by law.

1) PAD “D”

PROPERTY TYPE

Description: Pad “D” is a Vacant Commercial Property of approximately 20,082 sq. ft. Ownership of this property by the public enables the public to have a place at the table with the other owners of the shopping center. So long as the Successor Agency or the City holds property in the shopping center, it is a Major Owner under the CC&Rs and has an equal vote with entities such as Nordstrom and Home Depot. This has been helpful in dealing with on-going maintenance issues.

See Figures 1 & 2 below.

Pad “D” is part of the Gateway 101 Shopping Center, which has certain restrictions included in the Center’s Covenants, Conditions and Restrictions (CC&R’s). The CC&R’s heavily restrict the uses to which the property may be put; all of the following are prohibited: manufacturing, assembling, distilling, refining, smelting or mining or for agricultural activities; a warehouse or self-storage units; a flea market or a business selling “second hand” goods, except for high quality antiques; a restaurant, a bar, tavern, cocktail lounge, or any other establishment that sells alcoholic beverage for on premises consumption, adult book or adult video or adult magazine store; a “head shop”; a mortuary; an automobile repair shop, service station, car wash, or gasoline station; a self-serve Laundromat, or a dry-cleaning facility, except facilities for drop-off and pick-up of clothing, an entertainment or recreational facility; a training or educational facility.

HSC 34191.5 (c) (1) (G)

Description of property’s potential for Transit Oriented Development:
Given its relatively isolated location, Pad “D” has very limited potential for a TOD.

Advancement of planning objectives of the successor agency:
The property is necessary for implementation of projects specified in the redevelopment plan and other City plans. The property is essential to keeping tabs on the RDA investment in the shopping center, and maintaining the quality of the center. Two specific uses for Pad “D” have been identified: 1) As a Northeast landing ramp for a pedestrian/bicycle overpass over US101, and 2) as an ideal site for a groundwater well. Both are public purposes and uses compatible with the shopping center.

1) Pad “D” as a pedestrian/bicycle overpass ramp landing

The City of East Palo Alto General Plan identifies the need to create safe and convenient bicycle and pedestrian connections, while the East Palo Alto Capital Improvement Plan specifically identifies the need for a dedicated pedestrian and bicycle crossing of US 101 in East Palo Alto.

In 2011 the City decided to use $300,000 from the voter approved Measure A to fund the design of an overpass over US 101. A series of community meetings were held, and a Draft Feasibility Study was completed in May 2013. As a result, Pad “D” emerged as the ideal landing location for a Class I Pedestrian / Bike Overcrossing Structure over US 101 that would provide a direct connection between the south side and north side of US 101 in East Palo Alto.

For more details, see Feasibility Study at:
http://eastpaloalto101.files.wordpress.com/2013/05/epa_hwy-101-feasibility-study_public-release-draft_may-1.pdf

Route 101 divides the City of East Palo Alto into two segments and creates a dividing wall that cuts off the south side of the City (Woodland Community Neighborhood) where approximately one third of the City population resides from the services, schools, parks, and shopping services on the north side of the City. Providing an independent pedestrian/ Bicycle overcrossing over 101 will enhance public safety, promote walking and bicycling, and reduce vehicular trips on University Avenue. See Figure 3, below; indicating the approved alternative overpass alignment.
2) Pad “D” as an ideal site for a groundwater well

The City of East Palo Alto has limited water supply. Currently, the City has a water supply guarantee of 1.96 million gallons a day (mgd), or 2,199 acre-feet (AF) annually from the San Francisco Public Utilities Commission (SFPUC). The City’s 2010 Urban Water Management Plan (UWMP) shows a current demand of 2,200 AF, exceeding the supply guarantee. Furthermore, the UWMP shows that water demand will rise to 2,658 AF in 2015 and 3,400 AF by 2035. In sum, the City does not have adequate water supplies in case of an emergency, a drought, or to support further growth and economic development. Moreover, additional guaranteed water is not available from the SFPUC.

The Gloria Way Well Feasibility and Water Security Study (the Study), was commissioned to adequately support current water needs, and future growth. For details regarding the Study, see: [http://www.ci.east-palo-alto.ca.us/DocumentCenter/View/36](http://www.ci.east-palo-alto.ca.us/DocumentCenter/View/36).

The Study analyzed several alternatives to augment the City’s water resources, concluding that the most practical method of increasing supply is development of local groundwater resources.

Furthermore, the Study identifies two sites to develop these resources:

a. The City’s existing Gloria Way well, which is operable but not in use because of high levels of iron and manganese in the groundwater. Because of the elevated iron and manganese, a treatment facility would be required; the existing site has adequate space to accommodate such a facility.
The approximate cost for the design and construction of an iron/manganese removal facility is $2,000,000.

b. Pad D, as the preferred site for a second well. Development of a groundwater supply at Pad D (including an initial test well investigation, full-scale production well, and 500-gpm iron and manganese facility) would cost approximately $3,400,000.

The City Council has appropriated funds and authorized staff to proceed with a test well at the site. Both uses can coexist on the site.

Thus, Pad “D” has been identified as a critical site for East Palo Alto water security.

**HSC 34191.5 (c) (1) (H)**

**History of previous development proposals and activity:**

In June 2010, the Agency entered into a 90 day Exclusive Negotiating Agreement (ENRA), with “Shuman Business Partners.” SBP was exploring the possibility of developing the property as an American-style, sit down restaurant. The development proposal failed due to a lack of interest from franchise restaurants to locate in Pad “D”. Issues of concern were the triangular shape of the parcel, limited parking and limited access from the Gateway 101 shopping center.

In October 2010, the Agency entered into an ENRA with For the Future Housing. FTFH explored the development of a mixed use project including: 4,000 sq. ft. of ground floor retail and up to 55 single resident occupancy (SRO) units in three levels over the retail area. The development proposal failed due to opposition from Home Depot to approve such development as part of the shopping center Covenants, Conditions and Restrictions (CC&R’s), and the inability of FTFH to raise funding for the proposed affordable housing.

The commercial value of Pad “D” has proven to be very limited. A number of different alternative development proposals have failed due to a number of variables, including the irregular shape of the parcel, limited access, and poor visibility.

As mentioned earlier, the most feasible uses, and preferred community land use alternatives for Pad “D” have been as a landing for a critical pedestrian/bicycle overpass over US 101, and a groundwater well.

Preliminary Engineering analysis suggests that both uses are compatible and can be accommodated in the site.
2) RAIL SPUR
PROPERTY TYPE

Description: This property is a former rail spur that is contained within the Bay, Clarke, Weeks and Pulgas Avenue block. The property was acquired by the Agency in 10/13/06 via a quitclaim deed from Union Pacific. Due to its with, length and location, it is not suitable for any purpose other than as a transit corridor. It contains a multi-use pedestrian and bicycle trail. See Figure 4 below.

Figure 4

HSC 34191.5 (c) (2)

Permissible Use: Open Space. Zoning Ordinance Section 20.5040 place the R-OS (Ravenswood Open Space) overlay zone on this property.

Permissible Use Detail: Conservation of existing open space and development of traditional parks, linear parks and other “public” spaces within the Specific Plan Area.” (Specific Plan, p. 89)

After approximately two years of community planning, the City adopted the Ravenswood/Four Corners Transit Oriented Development (TOD) Specific Plan and Environmental Impact Report, (the Specific Plan) in early 2013. For more details regarding the plan, see: http://www.ci.east-palo-alto.ca.us/ArchiveCenter/ViewFile/Item/125.

A key part of the Specific Plan vision is a network of public amenities available to residents, workers and visitors. The Open Space Plan Concept that has been created based on the
community's vision. The Rail Spur site, which has approximately 1300 linear feet, in 0.3 acre, is one of those key open space components, envisioned to become a pedestrian and bicycle path. See Figure 5 below: Specific Plan Open Space Plan Concept.

3) COOLEY LANDING

PROPERTY TYPE

Description: Open Space / Passive Park / Capped Landfill

The site is approximately, 297,990 sq. ft., (6.84 acres), with about half of it under SF Bay. The parcels to the North and South of Cooley Landing are owned by Mid Peninsula Regional Open Space District (MPROSD). The parcel to the North is in the City of Menlo Park, the parcel to the South is in the City of East Palo Alto. See Figure 6 below.

Figure 6

The Peninsula Open Space Trust (POST) gifted Cooley Landing to the City of East Palo Alto in 2006. The terms of the deed limit the use of the property to environmental education and passive recreational activities. The City has for many years, planned to develop a public park with a nature and education center at Cooley Landing.

The first phase of developing Cooley Landing as open space was the environmental cleanup related to its previous use as the County waste dump. The first phase has been completed. The site was covered and capped with clean fill under the regulatory oversight of the San Francisco Bay Regional Water Quality Control Board and the County of San Mateo. The park is now open for the community’s use from sunrise to sunset.

In March of 2012, the State of California Statewide Parks Program awarded $5 million of Proposition 84 funds to the City of East Palo Alto for design and construction of Phases 2 – 5. The State Proposition 84 grant, which runs until June 30, 2041, prohibits sale of the property to a private party. The conceptual vision for the park includes a new Cooley Landing Education
Center with classroom, community room and exhibit space; landscape, trails and re-vegetation with native plants, restrooms; and an outdoor classroom.

In May of, 2013, the City Council provided direction to staff on a number of actions relating to the development of Cooley Landing Park and Education Center. On September 17, 2013, the City Council approved the selection of FOG Studio Architects for the Cooley Landing Park Phase III Education Center Project.

HSC 34191.5 (c) (1) (B)

Purpose for which the property was acquired: The property was developed as part of the University Square housing development. As a community benefit, the developer created a public park and an adjacent building. Currently, the building houses the City’s Community Development Department and Permit Center. The City has no other facility for these important governmental functions.

History of environmental contamination, studies, and/or remediation, and designation as a brownfield site: N.A.

HSC 34191.5 (c) (1) (G)

Description of property’s potential for Transit Oriented Development:
The property is relatively isolated, in the middle of a single family neighborhood and adjacent to a park, with limited potential for TOD.

Advancement of planning objectives of the successor agency:
The park and building at 1960 Tate Street are community assets for the provision of open space and public services.

HSC 34191.5 (c) (1) (H)

History of previous development proposals and activity:
The 1960 Tate Street development, including the adjacent public park and building, was completed by Signature Properties as part of the University Square housing development in the Gateway 101 Redevelopment area, as a community benefit.
As part of the Development Agreement, in March 2002, the developer transferred the building and land to a non-profit, the East Palo Alto’s Creative Montessori Learning Center. The transfer was pursuant to a grant deed that included a right of reentry allowing the City to obtain title to the center if CMLC did not operate the facility as a daycare within two years.

After two years, on December, 2004, CMLC signed over the deed to the City, given its inability to maintain the building, or improve it as a daycare center. The City moved the Community Development Department into 1960 Tate in October 2006 and has since, housed the City’s Permit Center and Community Development Department.

The site provides automobile parking for the park when the office is closed. The building provides the only restroom facility for the park.
5) NORTHEAST CORNER OF BAY ROAD AND UNIVERSITY AVENUE
PROPERTY TYPE

Description: Vacant parcel.

The site is approximately, 7,840 sq. ft., or 0.18 acre. See Figure 9 below.

Figure 9
HSC 34191.5 (c) (2)
Permissible Use: 4 Corners District
Permissible Use Detail: The zoning on this site allows mixed uses, however, the location at the intersection of Bay Road and University Avenue, is too small for commercial development. The site is designated to be used as a traffic mitigation measure as part of the Ravenswood/Four Corners Environmental Impact Report (EIR), approved and certified by the City Council in early 2013. The EIR identified the need for a right turn lane as a traffic mitigation measure (See Impact TRA-4 and Mitigation Measure TRA 4 below) at that intersection, which likely will require the entire site, as well as additional private property dedication in conjunction with the development of the six acre site adjacent to this parcel.

"Impact TRA-4 (University Avenue and Bay Road): This intersection currently operates at acceptable levels (LOS D or better) during the AM and PM peak hours. The addition of project-generated traffic is expected to cause the intersection to degrade to LOS F during the AM (94.7 seconds delay) and PM (109.8 seconds delay) peak hours. This constitutes a significant adverse impact according to the thresholds established by the City of East Palo Alto.

Mitigation Measure TRA-4: An exclusive northbound right-turn lane and a second westbound left-turn lane shall be built."

History of environmental contamination, studies, and/or remediation, and designation as a brownfield site: The County disclosed as part of the transfer that “the University and Bay Property may have once been a gasoline service station. To the best of County’s knowledge, there are not now any toxic or hazardous materials or conditions at, on or under the Property.”

The Agency conducted a Phase I study and surveyed the site for Underground Storage Tanks, and found no evidence of UST’s.

**HSC 34191.5 (c) (1) (G)**
Description of property’s potential for Transit Oriented Development:
The property is within the Ravenswood/Four Corners TOD Specific Plan area and serves the public purpose of mitigating a significant adverse traffic impact.

**HSC 34191.5 (c) (1) (H)**
History of previous development proposals and activity:
The site was a public asset owned by the County. Due to this fact and the relatively small size of this parcel to be developed for commercial use, there is no record of previous private development interest or proposals for this site.
6) 1798 BAY ROAD ("THE TANKLAGE PROPERTY")

PROPERTY TYPE

Description: Property with site improvements, (water, sewer, drainage, lighting, surface parking, signage and fencing), and two portable modular buildings. Currently leased to a non-profit, the Ravenswood Health Center.

The site is approximately, 55,321 sq. ft., or 1.27 acres. It has an irregular configuration and an interior block location. A portion of the site near the street frontage is encumbered by an ingress/egress easement in favor of the adjacent property owner. This easement prohibits the development of the site near the Bay Road street frontage. See Figures 10, 11 and 12 below.

**Purpose for which the property was acquired:** The property was donated as a Gift Deed, by the Tanklage family, Donald and Carole Tanklage, to the City of East Palo Alto Redevelopment Agency via a Quitclaim Deed on February 17, 1999.

After it was donated to the Agency, the Agency cleaned it of debris, and leased it in May 2001 to a non-profit providing health services to families in San Mateo County, the Ravenswood Family Health Center (RFHC), for the nominal amount of a dollar a year. Site improvements were completed by the RFHC with a $1.9M donation from the Silicon Valley Community Foundation. The RFHC opened in December 2001 and has renewed the lease several times under the same terms. For details regarding the RFHC, see: [http://www.ravenswoodfhc.org/](http://www.ravenswoodfhc.org/)

By statutory authority and operation of law, the property is now considered to be owned by the Successor Agency. On April 18, 2013, the Oversight Board of the Successor Agency approved Resolution OB 2013-03 extending the RFHC ground lease. The lease will end on April 17, 2016.

After the lease expires in 2016, the RFHC is planning to move from its current location, in modular buildings, to a permanent facility to be built on Bay Road, in an approximately 3.15-acre project site that is composed of portions of four parcels: 1891 Bay Road (APN 063-131-310), 1885 Bay Road (APN 063-131-240,-230), and the southern half of the parcel at 2519 Pulgas Avenue (063-131-220).

After the RFHC moves to its new facility, the City is planning to move the City’s Police Department (EPA PD) from its current portable building leased location at 141 Demeter to the permanent, appropriately sized and designed City owned facilities at 1798 Bay Rd. This relocation would be consistent with the community vision, expressed through a number of workshops had over a period of two years as part of the Specific Plan process. The vision is to have civic and community uses fronting Bay Rd., as expressed and memorialized in the Specific Plan and Environmental Impact Report.

HSC 34191.5 (c) (1) (F)
History of environmental contamination, studies, and/or remediation, and designation as a brownfield site:
In March 2001, the Agency cleared and leveled the site, removing debris, including a number of tires, concrete, rebar, and dirt, and disposed it all at an appropriate landfill. The Clinic made further site improvements, and the property is now believed to be free of environmental contamination.

HSC 34191.5 (c) (1) (G)
Description of property’s potential for Transit Oriented Development:
The difficulty with using this site for a private TOD development is its extremely limited frontage on a public street. As noted in the introduction, the property has very limited access due to an existing easement; it is an irregular lot with an interior block location.

Advancement of planning objectives of the successor agency:
The property has very limited access due to an existing easement; it is an irregular lot with an interior block location. However, it is the ideal location for the City of East Palo Alto Police Department, consistent with the goals of the Successor Agency and the community vision of having Civic/community uses in this area, as expressed in the Specific Plan.

9) IMPROVEMENT PLANS FOR UNIVERSITY AVENUE OVERPASS
PROPERTY TYPE

Description: Plans, Specifications and Estimates (PS&E’s) for the University Avenue overpass (Stage 2A). See Figure 21.

On March 5, 2001 (Resolution 1851), the City of East Palo Alto issued a Request for Proposals to prepare plans, specifications, and estimates for the University Avenue overpass widening, Stage 2A project, and interchange modifications on state Route 101. A contract was awarded in July 2001 (Resolution 1912) to CCS Inc. Redevelopment Agency funds totaling $561,970 were expended. The plans were completed in 2003, and approved by Caltrans in 2004. The PS&E’s are now property of the Successor Agency.

Following the approval of the plans by Caltrans, the City of East Palo Alto in 2005, was awarded $2M in SAFETEA LU funding, to construct a bicycle and pedestrian lane on the University Avenue Overpass. This project was included in Caltrans’ High Priority Project (HPP), list in 2008, as HPP#3769: “University Avenue Overpass Construction of bicycle and pedestrian lanes East Palo Alto.”

On October 2012 (Resolution 4362), the San Mateo County Transportation Authority Board (SMCTAB) approved the Measure A Highway Project list, including the City of East Palo Alto application for $5.0 million for Stage 2A. Resolution 4362 accepted the $5.0 million grant. As resolved by the City Council via Resolution 4362, the City is in the process of entering into a funding agreement with the SMCTAB and a Cooperative Agreement with Caltrans to complete any necessary design modifications to the project and complete its construction.

Parcels 1, 2, and 3 were transferred to the City Housing Successor in March 2011, as they were purchased with housing funds.

The City’s Successor Agency (SA) submitted a Long Range Property Management Plan (Plan) after it received its Finding of Completion; however, the State Department of Finance (DOF) denied the Plan, as it was submitted after January 1, 2016. In May 2016, the SA Oversight Board approved resolutions to transfer properties that met the definition of a governmental purpose. The transfers of Parcels 4 and 5 were approved by the DOF in August 2016, please see the attached determination letter (Attachment 2).

Currently, the SA owns one parcel of land, number 6. This parcel has been used by the City to facilitate operation of, access to, and maintenance of a culvert, which runs through the parcel. The creek divides the Lathrop/Maple Parcel into two separate areas: a larger triangular-shaped upper area, lying between Maple Street and Lathrop Street, north of the creek, and a much smaller piece located south of the creek, between the creek and the adjacent auto dealership property. The entire parcel is estimated at 10,957 square feet of land, which includes 3,366 square feet for the creek itself that splits the parcel. The net area of the land excluding the creek would be 7,591 square feet.

The SA and OB have attempted to transfer this parcel for governmental use; however, the DOF denied OB actions to transfer. The DOF reasoned that there was insufficient evidence of maintenance activities, construction, or use as public parking lot or governmental use property at the time of dissolution. There are currently no plans to dispose of this property as the culvert is located on this parcel. In addition, this parcel provides access to the culvert that is needed for maintenance and improvement work staging. Attachment 3 to this report includes the DOF’s review of the OB action OB-18-03, and Attachment 4 is an aerial photograph of the parcel.

As of June 30, 2018, assets other than land total $14,833,204. Based on recommendation from DOF staff, the SA will bring a resolution to the OB to transfer these depreciable assets to the City of Redwood City with the submission of the FY 19-20 ROPS.

B. Outstanding Obligations
The current obligations of the Agency in FY 2018-19 total $3,646,836; the majority of the obligations outstanding are related to the Tax Allocation Bonds, which were solely the debt of the former RDA and are now assumed by the SA. The total outstanding debt for the Tax Allocation Bonds is $49,079,998. Payments of approximately $3.5 million will continue annually until these bonds are retired in July 2032. The SA has researched the viability of calling or otherwise paying off this liability more quickly. The Agency’s municipal finance advisor indicated that this is not possible due to the structure and the nature of the Capital Appreciation Bonds portion of the issue. Other outstanding obligations include administrative fees in connection with the bonds, legal fees, and the SA administrative costs.

As part of the financing arrangement for the Low and Moderate Income Housing project located at 1540 El Camino Real, funds were provided from three sources: the Redevelopment Agency Low and Moderate Income Housing fund ($1,927,000), Community Development Block Grant funds ($200,000), and the County of San Mateo ($500,000). The loan agreement requires the developer to make payments to the Redevelopment Agency, which in turn is required to remit amounts due back to the County. Repayments are not expected until December 1, 2045.
C. Litigation
Prior to dissolution of the City’s RDA, the RDA entered an agreement with San Mateo County to receive a cumulative $25 million of the County’s share of tax increment, and an agreement with the Legal Aid Society to deposit the first $11.9 million of the $25 million tax increment into the Low and Moderate Income Housing Asset Fund to be used for housing. As of June 30, 2011, the City’s RDA had received and deposited $10,272,916 into the Low and Moderate Income Housing Asset Fund. Pursuant to the agreement with the Legal Aid Society to restrict these funds to housing, after dissolution of the RDA, these funds were deposited into a new fund to be used for housing purposes. Although the Due Diligence Review (DDR) performed by an independent auditor identified those funds as encumbered, the DOF issued a determination letter on December 19, 2012 concluding that the agreement with the Legal Aid Society was not an enforceable obligation, and the $10.3 million must be distributed to the taxing agencies. Therefore, on December 9, 2015, the Successor Agency paid $10.3 million to the County Controller and the money was subsequently distributed to the taxing entities.

The City and the Legal Aid Society separately filed lawsuits against the State of California Department of Finance on this matter. The lawsuits were consolidated and in January 2014, the Superior Court Judge ruled in favor of the State. In April 2014, the City and the Legal Aid Society filed an appeal. The case is fully briefed and is awaiting a court date.

D. Last and Final ROPS
The SA does not plan to file a Last and Final ROPS until the litigation is resolved.

Conclusion
In FY 2018-19, the SA anticipates bringing to the Board a potential action related to transferring the non-land assets to the City. At some point in the future, the City anticipates needing Board action related to the Legal Aid Society fund litigation

The SA looks forward to working with the county Oversight Board to complete the disposition of the remaining SA assets and obligations.

Ms. Starla Jerome-Robinson, Interim Finance Director
City of Redwood City
1017 Middlefield Road
Redwood City, CA 94063

Dear Ms. Jerome-Robinson:

Subject: Oversight Board Action Determinations

The City of Redwood City Successor Agency (Agency) notified the California Department of Finance (Finance) of its May 12, 2016 Oversight Board (OB) Resolutions on May 17, 2016. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB actions.

Based on our review and application of the law, Finance has made the following determinations:

OB Resolution Nos. 16-04 and 16-06

These OB Resolutions approving the transfer of the Library parking lot and easement interest of the Courthouse Square to the City of Redwood City (City) as governmental use, are approved.

HSC section 34181 (a) (1) gives the OB the authority to direct the Agency to transfer ownership of those assets that were constructed and used for a government purpose, such as roads, school buildings, parks, police and fire stations, libraries, and parking facilities and lots dedicated solely to public parking. Finance concurs that the parking lot located at 1012 Main Street and Courthouse Square located at 2200 Broadway Street (Assessor’s Parcel Numbers (APN) 053-137-010 and 052-367-010, respectively) meet the definition of a government purpose asset and therefore are eligible for transfer to the City.

Finance notes the OB action incorrectly referenced 054-137-010 as the APN for the Library parking lot; however, the correct APN is 053-137-010.

OB Resolution No. 16-05

This OB Resolution approving the transfer of the culvert parcels to the City as governmental use, is partially approved.

Finance concurs that the creek culvert parcel located at the corner of Maple Street and Elm Street (APN 053-147-040) meets the definition of a government purpose asset and is therefore eligible for transfer to the City. However, the parcel located at the intersection of Lathrop Street and Maple Street (APN 053-147-030) is currently used as restricted parking by the car dealership employees with a ‘no public parking sign’ and as a community open space on

The DOF referenced the wrong parcel #. This should be 053-182-030 (Parcel #6) per Redwood City SA. The Controller verified and confirms that the incorrectly referenced parcel is NOT owned by the former Redwood City RDA.
evenings and Sundays. Because the parking is restricted and not open to the public, this parcel cannot be transferred to the City as governmental use.

**OB Resolution No. 16-07**

This OB Resolution approving the transfer of interest of the Jefferson Avenue Pedestrian Paseo and approving an assignment of lease to the City as governmental use, is not approved.

It is our understanding this property interest is currently used as a public pedestrian walkway including an outdoor dining facility for the adjoining restaurant. Because a majority of the walkway is used as an outdoor dining facility, it does not meet the definition of governmental purpose and cannot be transferred to the City as governmental use.

**OB Resolution No. 16-08**

This OB Resolution approving a Long-Range Property Management Plan (LRPMP) that addresses the disposition and use of the real properties as well as the conveyance of the Agency’s interest in properties of the former redevelopment agency is no longer subject to Finance’s review.

HSC section 34191.3 (a) requires Finance to approve LRPMPs prior to January 1, 2016 in order for the LRPMP to be effective. Since the Agency does not have a Finance approved LRPMP prior to January 1, 2016, Finance no longer has the authority to approve, deny or amend a LRPMP. Therefore the Agency should dispose of all its properties and interest in properties pursuant to HSC sections 34177 (e) and HSC section 34181 (a).

In the event the OB desires to amend the portion of the resolutions not approved by Finance, Finance is returning it to the board for reconsideration. However, the Agency can move forward with the portion of the resolutions approved by Finance.

Please direct inquiries to Kylie Oltmann, Supervisor, or Zuber Tejani, Lead Analyst, at (916) 445-1546.

Sincerely,

JUSTYN HOWARD
Program Budget Manager

The Property was previously conveyed by the former Redwood City Redevelopment Agency, a public body, corporate and politic (the "Redevelopment Agency") to City by grant deed dated March 8, 2011 and recorded in the Official Records of San Mateo County ("Official Records") on March 9, 2011 as Instrument No. 2011-028362 and by grant deed dated March 8, 2011 and recorded in the Official Records on March 9, 2011 as Instrument No. 2011-028361 (collectively, the "Prior Conveyance Grant Deeds").

2. Pursuant to Assembly Bill x1 26 (Chapter 5, Statutes of 2011-12 First Ex. Session), enacted in late June 2011, as amended by Assembly Bill 1484 (Chapter 26, Statutes of 2012), enacted on June 27, 2012, and as further amended by Senate Bill 107 (Chapter 325, Statutes of 2015) enacted on September 22, 2015 (collectively, the "Redevelopment Dissolution Act"), the Redevelopment Agency was dissolved as of February 1, 2012, and the Successor Agency succeeded to the interests of the Redevelopment Agency. California Health and Safety Code Section 34167.5 retroactively invalidated transfers of assets from redevelopment agencies to their sponsoring jurisdictions occurring after January 1, 2011, and directed the State Controller to order assets that were not committed to a third party to be returned to the former redevelopment agency or to the successor agency, if established. Consistent with the foregoing, on November 19, 2012, the City Council of the City of Redwood City adopted Resolution No. 15230, and the governing board of the Successor Agency adopted Resolution No. SA 12-12, each acknowledging the invalidation of the Prior Conveyance and
authorizing the execution, delivery and recordation of such instruments as necessary to effectuate the return of the Property from the City to the Successor Agency. The Property was returned to the Successor Agency pursuant to a grant deed dated as of November 20, 2012, executed by City as grantor, and recorded in the Official Records on November 20, 2012 as Instrument No. 2012-173259 and a grant deed dated as of November 20, 2012, executed by City as grantor, and recorded in the Official Records on November 20, 2012 as Instrument No. 2012-173258 (collectively, the “City-Successor Agency Grant Deeds”)

3. The Property qualifies as a “governmental purpose” asset as defined in Health and Safety Code Section 34181(a), and therefore is eligible for transfer to the City. In accordance with Health and Safety Code Sections 34181(a) and 34181(f), the Oversight Board to the Successor Agency and the State of California Department of Finance (“DOF”) have approved the conveyance of the Property to the City for transfer to the City as a “governmental purpose” asset. This Grant Deed has been prepared and executed to implement such approvals.

4. The Property is conveyed to City subject to all matters of record; provided however, Grantor (as successor in interest to the Redevelopment Agency) and Grantee hereby mutually agree that the covenants set forth in Paragraphs 1, 2, and 5 of the Prior Conveyance Grant Deeds and in Paragraphs 1, 2, and 5 of the City-Successor Agency Grant Deeds pertaining to conformity to the Redevelopment Plan, are hereby terminated.

SIGNATURES ON FOLLOWING PAGE.
IN WITNESS WHEREOF, Grantor and Grantee have each caused this instrument to be
executed on its behalf by its respective duly authorized officer as of _____________, 2016.

1. The Property was previously conveyed by the former Redwood City Redevelopment Agency, a public body, corporate and politic (the "Redevelopment Agency") to City by grant deed dated March 8, 2011 and recorded in the Official Records of San Mateo County ("Official Records") on March 9, 2011 as Instrument No. 2011-028361 (collectively, the "Prior Conveyance Grant Deed").

/Library Parking Lot/

For valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Successor Agency to the Redwood City Redevelopment Agency, a public body, corporate and politic (the “Grantor” or “Successor Agency”) hereby grants to the City of Redwood City, a charter city and municipal corporation (the “Grantee” or “City”), the real property (the “Property”) located in the City of Redwood City at 1012 Main Street, known as the “Library Parking Lot,” designated as San Mateo County Assessor’s Parcel No. 054-137-010, and more particularly described in Exhibit A attached hereto and incorporated herein by this reference.

1. The Property was previously conveyed by the former Redwood City Redevelopment Agency, a public body, corporate and politic (the “Redevelopment Agency”) to City by grant deed dated March 8, 2011 and recorded in the Official Records of San Mateo County on March 9, 2011 as Instrument No. 2011-028357 (the “Prior Conveyance Grant Deed”).

2. Pursuant to Assembly Bill x1 26 (Chapter 5, Statutes of 2011-12 First Ex. Session), enacted in late June 2011, as amended by Assembly Bill 1484 (Chapter 26, Statutes of 2012), enacted on June 27, 2012, and as further amended by Senate Bill 107 (Chapter 325, Statutes of 2015) enacted on September 22, 2015 (collectively, the “Redevelopment Dissolution Act”), the Redevelopment Agency was dissolved as of February 1, 2012, and the Successor Agency succeeded to the interests of the Redevelopment Agency. Consistent with the foregoing, on November 19, 2012, the City Council of the City of Redwood City adopted Resolution No. 15230, and the governing board of the Successor Agency adopted Resolution No. SA 12-12, each acknowledging the invalidation of the Prior Conveyance and authorizing the execution, delivery and recordation of such instruments as necessary to effectuate the return of the Property from the City to the Successor Agency. The Property was
returned to the Successor Agency pursuant to a Grant Deed dated as of November 27, 2012, executed by City as grantor, and recorded in the Official Records of San Mateo County on November 28, 2012 as Instrument No. 2012-177008 (the “City-Successor Agency Grant Deed”).

3. The Property qualifies as a parking lot that is “dedicated solely to public parking” as defined in Health and Safety Code Section 34181(a), and therefore is eligible for transfer to the City as a “governmental purpose” asset. In accordance with Health and Safety Code Sections 34181(a) and 34181(f), the Oversight Board to the Successor Agency and the State of California Department of Finance (“DOF”) have approved the conveyance of the Property to the City for transfer to the City as a “governmental purpose” asset. This Grant Deed has been prepared and executed to implement such approvals.

4. The Property is conveyed to City subject to all matters of record; provided however, Grantor (as successor in interest to the Redevelopment Agency) and Grantee hereby mutually agree that the covenants set forth in Paragraphs 1, 2, and 5 of the Prior Conveyance Grant Deed and in Paragraphs 1, 2, and 5 of the City-Successor Agency Grant Deed pertaining to conformity to the Redevelopment Plan, are hereby terminated.

Ms. Kimbra McCarthy, Assistant City Manager
Redwood City

Redwood City, CA 94063

Dear Ms. McCarthy:

Subject: Objection of Oversight Board Action

The Redwood City Successor Agency (Agency) notified the California Department of Finance (Finance) of its January 11, 2018 Oversight Board (OB) Resolution on January 26, 2018. Pursuant to Health and Safety Code (HSC) section 34179 (h), Finance has completed its review of the OB action.

Based on our review and application of the law, OB Resolution No. OB-18-03, authorizing and directing the transfer of certain property, identified as Assessors’ Parcel Number 053-182-030, to Redwood City (City) for governmental use, is not approved.

HSC section 34181 (a), authorizes agencies to transfer ownership of assets constructed and used for governmental purposes, such as roads, school buildings, parks, police and fire stations, libraries, parking facilities and lots dedicated solely to public parking, and local agency administrative buildings, to the appropriate jurisdiction.

It is our understanding the City uses the property to park vehicles and equipment during the maintenance of a nearby culvert. When not in use by the City, the property is essentially open space and available for public parking. The Agency provided a list of maintenance activities and a Baseline Trash Load and Short-Term Trash Load Reduction Plan (Plan) dated February 1, 2012 to support the governmental use of the property.

However, these documents do not provide evidence of the construction and use of a public parking lot or governmental use property at the time of dissolution. According to the list, the City performed maintenance two times in fiscal years 2013-14 and 2016-17, respectively. Additionally, both the maintenance activities and the Plan occurred after dissolution. Therefore, the property does not meet the definition of governmental use pursuant to HSC 34181 (a) and is ineligible for transfer to the City. To the extent the Agency can provide support for the governmental use of the property prior to dissolution, this property may be eligible for transfer to the City in the future.

As authorized by HSC section 34179 (h), Finance is returning your OB action to the board for reconsideration.
Ms. Kimbra McCarthy

Subject: Update on Oyster Point Development Project

Recommendation
This item is for information and discussion only. No action is required by the Board.

Background and Discussion
The Oyster Point Development Project is a public/private partnership venture that includes the former South San Francisco Redevelopment Agency. The joint venture aims to undertake a major development of an 80+ acre area located along South San Francisco’s waterfront, at the terminus of Oyster Point Boulevard.

In 2011, the partners entered into a Disposition and Development Agreement ("DDA") which the former South San Francisco Successor Agency Oversight Board and the Department of Finance approved as an enforceable obligation under the redevelopment dissolution laws. The attached report is intended to brief the Board on the background, recent progress and current status of the development project.

The attachments were prepared by the South San Francisco Successor Agency. Alex Greenwood, Economic & Community Development Director of the City of South San Francisco will be presenting to the Board.

Subject: Study Session on the Oyster Point Development Project

Former RDA: South San Francisco

In March 2011, the City and former South San Francisco Redevelopment Agency approved the Oyster Point Development Project – a major public/private venture that envisioned office/R&D, hotel, open space, retail/commercial, and other improvements to an 80+ acre area located along South San Francisco’s waterfront, at the terminus of Oyster Point Blvd. As part of the project approvals in 2011, the developer, the former redevelopment agency and the City entered into a Disposition and Development Agreement (“DDA’’). The Oversight Board and the Department of Finance have previously recognized the DDA as an enforceable obligation under the redevelopment dissolution laws. In order to brief the Oversight Board on the background, recent progress, and current status of the Oyster Point Project, staff has prepared the attached presentation (see Attachment 1).

Background

1. Site History
Oyster Point is an 80-acre waterfront area, located at the end of Oyster Point Blvd. About 40 acres are privately owned, with the other 40 acres owned by the City of South San Francisco.

Oyster Point has a very strategic location, visible from across the Bay and adjacent to the South San Francisco Ferry Terminal, Oyster Point Marina, and several biotechnology uses, such as the Genentech campus.
Until the mid-20th Century, this area consisted of coastal marshland. Beginning in the 1950s, the South San Francisco Scavenger Company operated the site as a municipal waste disposal site. From 1956 to 1970, SSF Scavenger deposited municipal solid waste to a depth of 45 feet in an unlined landfill. Initially, waste was burned on site. Later, the company began depositing waste directly into the Bay, using a wire fence to stabilize the fill.

By 1970, when landfill operations ceased, 1.4 million tons of waste had been dumped on the site. In the two decades after closure of the landfill, multiple Federal, State, and regional regulatory agencies were involved in addressing the environmental impacts of the site; and “clay cap” infrastructure was installed that included bentonite-cement trenches, a gas barrier trench, compacted soil, and a PVC liner.

In 1977, the San Mateo County Harbor District assumed control of the site through a joint powers agreement between the City and Harbor District. A municipal marina was built along with a small park and several maritime industrial uses. The marina currently suffers from more than $50 million of deferred maintenance and has never been able to reach its full potential as an attractive, economically self-sustaining coastal use.

2. Redevelopment Project

As mentioned above, in 2011, a new public-private partnership was approved that put forth an ambitious new vision for the site. This partnership included agreements between the City of South San Francisco, South San Francisco Redevelopment Agency, South San Francisco Harbor District, and a developer team known as “Oyster Point Ventures, LLC” led by Shorenstein Realty Investors and SKS Partners. As part of the partnership, a Disposition and Development Agreement (DDA) was approved that:

- Articulated a new, exciting vision that would convert an environmentally risky, blighted, underused site into a vibrant 80-acre waterfront area.
- Resolve a tangle of property ownership issues that had impeded development.
- Catalyze investment with a mixed-use development including: 2.25 million sq. ft. of office/R&D space, a hotel, retail and maritime commercial uses, a major waterfront park, a public beach, Bay Trail improvements, and other amenities.
- Provide the financial mechanism for extensive new infrastructure, including: environmental remediation, clay cap repair, grading, landscaping, all new streets and utilities, and other key infrastructure to allow development to occur. The costs of these improvements were allocated between the developer and the former redevelopment agency.
3. **Recent Progress**
Between 2011 and 2016, the Oyster Point Project became stalled, due to the ongoing financial recession and a downturn in the biotechnology industry. The project was sold and assigned to a new developer in 2016, and to yet another new developer in 2018. The new developer, Kilroy Realty, has established itself as one of the most highly regarded office developers on the West Coast, with notable developments including Salesforce Headquarters (50 Fremont), the LinkedIn Headquarters Campus, and many other high end office developments.

As noted above, the project is a public private partnership with funding provided by Developer and the former redevelopment agency (now successor agency). Attachment 2 shows a summary of the funding obligations associated with the project. These funding obligations have been previously funded through prior ROPS which have been approved by the Oversight Board and the Department of Finance.

In November 2017, construction began on Phase 1 of the project, which includes 508,000 sq. ft. of biotechnology R&D space. Construction is on schedule to be completed in 2021.

In addition to funding the infrastructure and site preparation mentioned above, the developer is also privately funding the construction of the buildings that at built-out (i.e., Phases 1-4) will include 2.25 million sq. ft. of office and R&D space. Thus, the project in total has an estimated
valuation in excess of $2 billion. An estimated $23,230,000 per year in property tax revenue is anticipated upon completion of all four phases of the project.

**Conclusion**
The purpose of this study session is to update the Oversight Board on the background and current progress of the Oyster Point Project.
